## Dr. Calderwood Returns; Plans Sermon Series

Dr. David Calderwood, pastor of Greyfriars church, having just returned from a three-month visit to Ireland and Scotland, will begin a series of sermons on basic Christianity—the kind of Christianity that has produced strong Presbyterian churches in North Ireland and Scotland.

The topics will be announced each week, and will be presented each Sunday morning at 11 o'clock following the Sunday School hour at 9:45.

The evening worship service will be conducted at 7.

Next Sunday morning, the Rev. Clarence Duff, missionary to Eritria, Africa, will be the speaker at the 11 o'clock service. This will be the only opportunity in Greyfriars to hear this noted missionary. Everyone is welcome.

## Seaside Pastor Lists Sermon

"That Things May Be Done Decently and in Good Order," will be the sermon topic of the Rev. William K. Schatz at the Seaside Community Church, 230th and Ocean Avenue Sunday. The sermon will deal with the importance of little things, the Rev. Mr. Schatz said.

A new green pulpit scarf will be dedicated during the service. It is designed for use during the Trinity season of the church year.

The first worship service begins at 9 a.m. each Sunday. Church school meets at the same time. The second service is scheduled for 10:30 a.m. Infant care is provided at this service.

## Volunteers Fill Posts For Church

The Narbonne Avenue Baptist Church of Lomita filled nearly 200 offices Wednesday night. These are volunteer workers who will teach in the Sunday School, serve as leaders and sponsors in the Training Union, serve in the Women's Missionary Union, and Brotherhood. A record number of people have been asked to serve during the current church year.

Sunday will be observed as Laymen's Day in the local church. Loman Carter is president of the Brotherhood, the laymen's organization in the church. Laymen will be recognized for their contribution to the Church.

The pastor's message will be "Man-Blockade, Blockbuster a Blessing."
