Santa Monica Tests Undefeated Harbor

Harbor College's Seahawks will open their Metropolitan League schedule the hard way tomorrow at 8 p.m. when they meet Santa Monica's high scoring Corsairs on the Wilmington field.

With two practice wins to their credit, the Harbor boys will have to be at their best to extend their grid rejuvenation. Santa Monica also has two victories and a reputation of having a better team than the one that went to the Junior Rose Bowl in 1958.

While the Seahawks have racked up San Bernardino, 30-25, and Citrus, 22-0, the Corsairs have run over Mt. San Antonio, 40-7, and Cabrillo College of Santa Cruz, 48-27.

Sam Wicks again demonstrated what makes Sammy run, against Citrus, as he scored on a 38-yard pass from Frazier, running for a conversion and making several other spectacular runs. Other touchdowns were scored by backs

Henry Pilgian and Bob Moss. Even tackle Dave Edwards got a rare scoring opportunity as he effected a 2-point conversion on a tackle eligible pass play.

Harbor coach Joe Berry said his boys managed to contain a good passing team in Citrus as 25 members of his 37-man squad got in the game. Mike Ferragamo turned in another outstanding game as linebacker. Charles Cunnigan intercepted three straight passes from his linebacker spot.

Santa Monica coach Jim Powers has 15 lettermen back from last year's squad which ended with a 7-2 record. Quarterback Rand Carter's little pills did nothing for the health of the Cabrillo team as passed to various teammates for five scores. End Howard Meadows scored on pass plays going for 44 yards and 35 yards, while halfback Jay Clark scored on a 69-yard pass play.

BOB LUGO Harbor Star

Verry Given X-Ray Testing In LA Hospital

"Resting comfortably" at St. Vincent's Hospital in Los Angeles, coach Norm Verry of El Camino College is currently undergoing X-rays following a brain hemorrhage which dented the college's charter flight to Boise, Idaho, Sept. 23.

Transferred from Washo Medical Center in Reno, Nev., where he remained for a week following the attack, Verry was brought to Los Angeles by air ambulance.

Among the visitors welcoming the college instructor to the Southland were Mrs. Verry, their sons, Richard and Steve, and Doug Essick, who is replacing Verry as head football coach during the latter's illness.

The grid coach, who doubles as tennis mentor for the Warriors, is under treatment of Dr. Theodore Kurze, a neurosurgeon affiliated with Verry's alma mater, the University of Southern California.

South Meets Unconquered IHS Eleven

Attempting to bring its upset record to two in a row, South High will attempt to subdue unconquered Inglewood High tomorrow night at Sentinel Field in the Bay League lid-lifter for both grid squads.

Shocking highly rated Long Beach Jordan, 19 to 0 in their opening game, the Spartans may have found the key to a high league finish in a stingy, hard-hitting defense and a pair of speedy backs.

Bill Fish and Harvey Seigel ran roughshod over the Panthers, both scoring once.

RUGGED LINE play by South forced three first half Jordan fumbles and limited Long Beach to five first downs throughout the contest.

Picked to finish right behind Hawthorne in the Bay League title chase, the Sentinels will depend on quarterback Troy Winslow and end Dave Kaiser to make their split-T offense pay off.

INGLEWOOD grid boss Bill Peters boasts of 15 returning lettermen and a forward wall which literally trampled opposing ground attacks last season. The Sents ended with a 7-4 slate last time out.

Spartan mentor Dave Tollefson will be hoping his men can hold an IHS line in check that is anchored by 190-pound tackle Larry Kissam and 208-pound center Roger Adams. Their success could well determine the manner in which South begins its Bay League season.

NHS Duels Micohi In League Opener

Football season will begin in earnest for North High tomorrow night when the Saxon grid-dens open the Bay League season against wing-T Mira Costa on the North gridiron at 8.

Following only a single practice game, a 20-to-20 win over Warren, the Saxons will meet a Mustang eleven attempting to rebound from a 3-7 record and a seventh place Bay League finish last season.

Under new coach Pete Austin, the Micohi grid-dens will depend a lot on the talents of All-Football League quarterback Larry Cox who transferred from Santa Monica to the Redondo school.

Maynard and Cox will operate behind a potent line that lacks in depth.

DAN CLAXTON was the leading scorer for North against Warren. He rambled for two touchdowns: one on a five-yard jaunt, and the other on a 55-yard return of an intercepted pass.

Coach Bob Shoup's minions will try to halt the Mustang offensive threat with a rugged defense that was praised by Shoup in the opening victory for being, "alert and showing good pursuit."

EC Poloists Put to Test By Vikings

El Camino College's water polo squad will be put to the supreme test tomorrow when the Warriors go up against Long Beach City College, rated by Tribe mentor Ruby Kroon, "The best in the state."

Game time will be 4 p.m. in the Camino pool.

This is the first Metropolitan Conference meet for the Warriors and it could very well decide the Metro championship.

El Camino will battle each Metro team twice in its attempt to improve last year's second place finish to Long Beach. ECC will not engage the Vikings again until Nov. 3.

Camino went into the Southern California Tournament on Tuesday with a spotless slate. It had run roughshod over Pierce, 23 to 0, and held off a strong second half Orange Coast rally to tuck away an 11 to 7 victory.

Selden Clair will lead the finmen into action against the Vikings. Against Pierce, the returning second-string All Metropolitan Conference selection, rang up nine points, and against Orange Coast, he pushed an additional five goals into the net.

Backing up Clair will be Jim Grabbill and Ron Casey. Both contributed six points to the Warrior cause against Pierce. Long Beach has gone undefeated against Metro competition for the past two seasons, winning the conference title both years.

Last year, the Vikings walloped the Tribe, 17 to 6, in the final match of the Metro season to take the championship. The previous year, they had also handed ECC its only conference defeat to garner the crown.

Mighty pretty... but will it hatch?

Lots of money-making schemes look good. But it's the way they turn out that counts. That's one reason for having a savings account. You know your money is safe. You know the interest is sure. You can count your chickens before they hatch—when your money's in the bank.

Glad to be past rugged Inglewood who handed them a 33 to 6 defeat last week, Torrancia High's grid-dens will open the Pioneer League season tomorrow night against Lawndale on the Tartar gridiron at 8.

With Troy Winslow at the helm, the mighty Sentinels

opened-up on Torrancia from the opening gun and never let up as the Tartars' only score came in a 65-yard gallop by Bob Clark.

Torrancia romped to a 6-2 slate last season and a tie for first place behind the passing of all-league Howard Taylor who was lost through graduation.

DEFENSE is the Tartars'

strongest point. They have practically the entire first team returning from the title squad that tied with Aviation and Culver City for the Pioneer crown.

John Cambon is hoping to step into the shoes of the departed Taylor, and in the first Torrancia tilt, a 12-to-12 tie with Redondo, he showed promise of becoming an adept signal-caller.

PACING THE Tartar running game is Jerry McLean, a returning second string all-league selection.

Lawndale can be rated as a dark-horse contender at best.

FAILING TO WIN a varsity game last season, the Cardinals will be playing their first year with seniors. Coach Dick Braunbeck has his men toiling in the Flanker-T formation,

but the Cards lack the weight to push the bigger schools around.

Only reason for joy in the Lawndale camp is the return of 21 lettermen.

Bill Felix, a 190-pound all-league, is the heaviest man on the line. Backfield zip will be provided with the return of Gary Campbell at fullback. He sat out last year after lettering as a sophomore.
