# Good Housekeeping devoted 12 pages to this smart Encino Home!

(of course... it features a modern gas range!)

It's not surprising that Good Housekeeping came to Encino Hills for a feature article in the September issue. For this home is news—filled with fresh ideas. One of its outstanding charms is a beautiful kitchen. It's typically Southern California—and features a modern gas range.

You're invited to visit Encino Hills soon. To see the "house with the outdoors built in." To see the smart new look in modern gas ranges. When you're ready to buy—a new range or a new home with a built-in kitchen—select a modern gas range with the finest automatic features.

Exterior view of Encino Hills Model Home shows how effectively the architecture joins outdoors with indoors.

Now open—10 a.m. to 8 p.m.  
Encino Hills Model Home. In Los Angeles take Ventura Freeway to Havenhurst off ramp.

Marlan Lee, builder of Encino Hills says, "BALANCED POWER is the common-sense approach to modern living in Southern California. It puts two powers to work—each one doing the jobs it does best. Electricity is provided for lighting, TV, and small appliances. Gas handles such important household jobs as cooking and year 'round air conditioning."
