

ASK ANY woman what she wants for Christmas and she'll no doubt say — "Make mine mink." Here is a style representative of the many soft, flattering small furs available this season. The collared cape stole with pocket front enhances every woman and is luxurious topping for all occasions in any of the many new, glowing mink shades.

DON'T FORGET the pets at Christmas. Play Santa to the pooch in the family with a gift of a fancy new collar, a brand-new lead, or a sweater for inclement weather. A doubly good gift idea is that of an identification tag with Fido's name, your name, address, and phone number on it.

FOR ROOTIN', TOOTIN' FUN! Children will enjoy playing a toy musical instrument. Such a gift may also encourage the youngster's desire to learn to play a standard musical instrument later on.

GIFTS FOR AT EASE—Slipper are perfect footnote to a comfortable Christmas. They spell comfort, ease, and smart good looks for everyone in the family. Examples of this year's terrific selections point up soft-as-butter lightweight leather: in moccasin styled slippers for Dad; brilliantly decorated flats for Mom and older girls beaded Indian moccasins for junior and real wool shearlings for sis.
