Tuberculosis Still Public Health Peril

Tuberculosis remains as a public health problem in Los Angeles County despite the fact the medical profession has the knowledge and facilities to virtually eradicate the disease.

In Los Angeles County, tuberculosis is the leading cause of death due to communicable diseases claiming the lives of many persons each year, Dr. K. H. Sutherland, Los Angeles County Health Officer, stated today. "Nearly 2,000 cases of the disease have been reported to the department this year. Currently we are providing medical supervision to more than 4,500 individuals in our clinics," he continued.

Difficulty in locating the individuals who have tuberculosis in the early stages of the disease is the major factor which must be overcome before any significant advance can be made in controlling the disease.

Unlike many other diseases, a person may become infected with tuberculosis germs and not display any outward signs or symptoms of illness. Then, unaware of their disease condition the individual may pass the infection on to his or her family and friends without even knowing that they have the disease.

Two simple and quick case-finding techniques, the chest x ray and the tuberculin skin test, are readily available to the public through their private physician or the local office of the Health Department.

Medical authorities agree that periodic examinations are the most effective means of controlling the spread of tuberculosis.

Accordianist Wins Talent Show Contest

Thomas Tuttle, a 10-year-old accordionist from Torrance, took first place in Saturday night's "Search for Talent" show, sponsored by the Bay Cities Civic Theater Assn. In addition to his first place trophy, Thomas also won an oil portrait of himself, and a second appearance on the finals, Dec. 23.

In second place, in a tie, were Carol and Jessica Gregory, tap dancers, and Frederick Nino, accordionist. These children will appear on the semi-finals, Dec. 16, at the theater.

• • •

SATURDAY'S show was for children 12 and under, and this coming show will be for contestants 13 through 18. The public is invited to attend these shows, and all proceeds are donated to the Garden Valley Mentally Retarded Assn. in Gardena.

On Dec. 16, the semi-finals will be held, and the second place winners from the preceding six shows will be in competition.

• • •

THE WINNER of this show will then go on to the finals, Dec. 23. On the final show, all the former first place winners will be competing for the first prize of $50, second $25, and third, $10.

The winners will be decided by a panel of judges, who base their decisions on a combination of poise, personality, talent, and orginality, and in case of a tie, audience applause will be the deciding factor.

Donations, taken at the door, are $1 for adults, and 50 cents for children under 12. Performances are staged at 112½ N. Catalina Ave., Redondo Beach.

ORDINANCE NO. 1279
AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TORRANCE REPEALING CHAPTER 32 OF "THE CODE OF THE CITY OF TORRANCE, 1954" AND SUBSTITUTING THEREFOR NEW PROVISIONS ENTITLED "OCEAN BEACHES."

The City Council of the City of Torrance does ordain as follows:

SECTION 1.

That Chapter 32 of "The Code of the City of Torrance, 1954" is hereby repealed in its entirety and the following provisions substituted therefor.

"Chapter 32"
OCEAN BEACHES.

Sec. 32.1. Scope.

The provisions of this chapter shall apply to all ocean beaches, whether publicly or privately owned or maintained, which are maintained for the use of the general public by the State of California or by any department thereof, or by any other public body. This chapter does not apply to any park other than beaches.

Sec. 32.2 Vessel.

"Vessel" includes every description of watercraft, other than a seaplane on the water, used or capable of being used as a means of transportation on water. "Vessel" includes a raft, but does not include a surfboard, paddleboard, or a standard surf mat.

Sec. 32.3 Fires.

It shall be unlawful for any person to build, light or maintain a fire on any beach, or on any land owned, maintained, or controlled by the city and fronting upon or adjacent to any such beach.

Sec. 32.4 Loitering.

It shall be unlawful for any person to loiter on any such beach at any time between the hours of midnight and six o'clock a.m. of the following day.

Sec. 32.5 Bathing.

It shall be unlawful for any person to swim, bathe or immerse himself in the waters of the Pacific Ocean opposite any beach regulated by this article more than two hundred yards from the shore except:

A. A person who is the owner of a vessel, or who acts at the request of such owner while engaged in servicing or repairing such vessel, and then only in the immediate area of such vessel.

B. A person engaged in the sport commonly known as aquaplaning, water skiing, or any derivations thereof, provided that such person is at all times wearing a safety belt approved by the State Director of Small Craft Harbors.

C. Skin diver equipped with swim fins and a face plate if at all times he maintains within fifty yards of himself a boat or a surf mat, paddleboard or surfboard upon which there is a rectangular flag seventy by fifteen inches, orange-red in color with a white diagonal stripe three inches wide running from one corner to the diagonally opposite corner. The flag shall be flown high enough so as not to touch the water.

Sec. 32.6 Surfing

It shall be unlawful for any person to surf more than fifty yards beyond the farthest breaking wave when such farthest breaking wave is more than one hundred fifty yards from shore.

Sec. 32.7. Boating.

It shall be unlawful for any person to operate any vessel within three hundred yards of the shoreline of any beach regulated by this chapter except when necessary in taking it to or from its lawful mooring place or when necessary in the case of emergency.

Sec. 32.8. Surfboards.

A. It shall be unlawful for any person to use or possess, in the waters of the Pacific Ocean opposite any beach regulated by this chapter, any object commonly known as, or used as, a surf mat, paddleboard or surfboard, within two hundred yards from shore or fifty yards beyond the farthest breaking wave, whichever distance is greater, or when used by a skin diver to hold the flag required by section 32.5.

B. It shall be unlawful for any person to bring, or permit, or allow opposite any beach regulated by this chapter, any object commonly known as, or used as a paddleboard, or surfboard within one hundred feet of any person in the waters thereof who is not at the time using or possessing a similar object. This section does not apply to a standard surf mat constructed as described in section 32.10.

Sec. 32.9. Measurements.

Whenever a distance from shore is specified in sections 32.5, 32.6, 32.7 and 32.8 or elsewhere in this chapter, it shall mean the distance measured at right angles to the tangent of the actual line between the water and the unsubmerged beach as it exists at the time of measurement.

Sec. 32.10. Use of inflated equipment.

It shall be unlawful for any person to use in the Pacific Ocean opposite any beach regulated by this chapter, any inflated equipment of any kind except a standard surf mat which is:

A. Constructed of a durable material with a non-slippery surface.

B. So constructed that, when inflated for use, it will not fold in any direction.

C. Equipped with a safety rope.

D. Not smaller than twenty-four inches by forty inches.

E. Not larger than thirty inches by sixty inches.

Sec. 32.11. Designation of hazardous areas.

Whenever any city or county lifeguard finds that because of extra high surf, rip tide, or other hazardous conditions, it is unsafe for the average person to swim or bathe within a certain area of the waters of the Pacific Ocean opposite any beach regulated by this chapter, during the time such hazardous conditions exist such lifeguard may instruct all persons not to swim or bathe in such area. Every person shall comply with such instructions.

Sec. 32.12 Authority of police officers and lifeguards.

It shall be unlawful for any person to fail or refuse to obey any reasonable command, order, instruction or direction of any of said police officers or lifeguards given in connection with or with reference to any fishing and the related use of fishing tackles, lines, hooks or other equipment, or given in connection with any reference to the use, operation, manipulation or handling of any boat, surfboard, paddleboard, kayak, or other surf or wave-riding equipment or device, or to fail or refuse to remove the same from the surf or waters adjacent to the public beach within said city when requested to do so by any of such police officers or lifeguards.

Sec. 32.13. Exercise of power by deputy or authorized person.

Whenever a power is granted to, or a duty is imposed upon the director of recreation or other public officer, the power may be exercised or the duty performed by a deputy of the officer or by a lifeguard or other person authorized, pursuant to law, by the director or other officer, unless this ordinance expressly provides otherwise.

Sec. 32.14. Exceptions.

The provisions of this chapter are not applicable to acts performed:

A. In an emergency, for the purpose of protecting life or property.

B. By employees of the county, or by employees of the state or other public body maintaining a beach, for the purpose of performing their duties.

C. For the purpose of giving instruction, training or exhibitions when specific permission therefor has been received from the director of recreation."

SECTION 2.

Any provision of the Torrance City Code, and appendices thereto, inconsistent herewith, to the extent of such inconsistencies and on further, are hereby repealed.

SECTION 3.

Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine not exceeding Five Hundred Dollars ($500.00), or six (6) months in the County Jail of Los Angeles County, or by both such fine and imprisonment, in the discretion of the Court.

SECTION 4.

This ordinance shall take effect thirty days after the date of its adoption and prior to the expiration of fifteen days from the passage thereof shall be published at least once in the Torrance Herald, a semi-weekly newspaper of general circulation, published and circulated in the City of Torrance.

Introduced and approved this 21st day of November, 1961.

Adopted and passed this 28th day of November, 1961.
