Torrance High's Campaign For Canned Food Succeeds

Torrance High School's annual canned food drive, sponsored by the Student Council, terminated Friday. The canned food drive traditionally is a well-supported student activity, according to Ray Bynum, Tartar student body president.

"This year's drive has been one of the most successful in Torrance High School history," Bynum said.

Students brought canned goods to their first period classes with the idea that the food contributed will be sent to a social service agency to be distributed among the less fortunate families in the South Bay area.

The freshman classes of Walter Douthright surpassed previous collections. In addition to more than 3,000 cans of contributed food, the students have collected a large box of toys, a bicycle, and a scooter.

"We are very proud of the effort of the Torrance High School students in making this collection a success," Douthright said. "The Christmas spirit has spread its influence in Tartarville and this collection of food for others is our contribution of the holiday season."

Members of the junior class were cited for their contributions to the drive. Mrs. Mary Haney's first period class has collected a large number of toys including bicycles, games, and sports equipment. Mrs. Haney stated that this year's canned food drive has produced the finest outpouring of student spirit of many years at Torrance High School.

Reserve Officers Form New Centinela Chapter

Formation of the Centinela chapter of the Reserve Officers Assn. of the United States was announced this week by Lt. Col. George Meffan. "We welcome any reserve, retired, or active officers of the Armed Forces to become affiliated with this new chapter," Colonel Meffan said.

Next meeting of the organization will be a business meeting to be held at 7:30 p.m. Friday at 3434 W. Imperial Hwy., Inglewood. For information of officers may call Lt. Col. George Meffan, at PL 4-8487.

At the last meeting Colonel Meffan was elected president of this new chapter. Other officers named are Lt. Col. John McKinney of Inglewood, Army vice president; Cmdr. Elmer Harris, Navy vice president; Maj. Guy B. Pluck, Air Force vice president, and Maj. Carl Becholdt, secretary.

The Reserve Officers Assn. has been a champion of adequate national defense since 1922.
