

Rodson Assumes Fight Post

Laurence A. Rodson, 4814 Artesia St., has been named comptroller for Graff-Reiner-Smith Enterprises, Inc., the Los Angeles firm that won the worldwide ancillary rights to the Patterson-Liston title bout. Ancillary rights are all rights other than the "live" gate. The company made a record \$2 million bid against 85 per cent of the ancillary gross.

AS COMPTROLLER, Rodson will be responsible for administering funds that many sports and financial experts predict will top \$8 million. A certified public accountant in Los Angeles since 1953, Rodson operated a private practice until being appointed by the Graff-Reiner-Smith Enterprises.

RODSON, a graduate of Los Angeles High School, attended UCLA and Southwestern University. He is a member of the American Institute of Certified Public Accountants and the Redondo Beach Elks Lodge.

McEwen Out To Terminate Moody Streak

Tom McEwen will be the top bet to end Don Moody's winning streak at Lions Drag Strip in Long Beach Saturday night.

McEwen, top money winner of the year, will be back in a new and lighter gas dragster to take on Moody, who has won the gas eliminator title for four straight weeks.

DAVE MCKENZIE and Ken Safford will also be after the gas title.

Don Prudhomme is expected to win the fuel eliminator event and chalk up his seventh title of the year.

TOP-RATED Hank Clark and Don Hampton will be out to stop Prudhomme.

The trials start at 7:30 p.m. with final eliminations at 7:30 Saturday night.

Deer Hunters Must Follow State Rules

Regulations passed by the California Fish and Game Commission regarding deer hunting provide that:

1. Firearms must be unloaded when carried in a vehicle.
2. Firearms may not be fired while hunting within 150 yards of any occupied building.

3. IT IS unlawful to hunt while intoxicated.

4. Before transporting deer to any other destination, tags must be countersigned (validated) by the nearest authorized person on the route being followed from the point where such animal was taken.

5. SPECIAL HUNTING permits shall be valid only for the area and the period of time designated on the permit.

6. Special permits are valid only for the class of deer designated on the permit. In the event that antlerless deer are so designated, antlerless deer are defined as female deer, fawns of either sex other than spotted fawns, and male deer with unbranched antlers on both sides which are not more than three inches in length.

7. SHOOTING TIME shall be one-half hour before sunrise to one-half hour after sunset.

8. Bag limit shall be one deer per permit holder.

9. PERMIT TAG shall be attached to the antler of antlered deer, or to the ear of antlerless deer immediately after killing.
