The August meeting of the Couples Bridge, a Diana philanthropic, as well as social event, was held at the Merle Coffee home in Torrance. Mrs. Coffee is a Diana past president.

As tournament time draws near, only two meetings away, speculation is mounting as to who will be the highest scorer for this six months period. At the end of each evening's play, scores are sent from various homes to Mrs. Ronald Clarke, Palos Verdes, bridge chairman, who then keeps a running score for each participant. The lowest score is discarded in the final tally.

Those competing in Friday evening's match were Messrs. and Mmes. Ralph Rector, Hollywood Riviera; James McPherson, Palos Verdes Estates; and Patrick Callahan, South Redondo.

First prize was won by Mr. James McPherson, with second prize going to Mrs. Callahan.

Benefit Swim Party Planned by Chapter

At the August meeting of the Sir Beaumains Chapter, Children's Home Society, plans for the annual swim party will be completed. This event is the main fund-raising event of the group. It will be held in September at the Adli Swim School on Hawthorne Blvd. Tickets will be available from members and from various merchants in the area. All proceeds from the buffet and swim party will be given to Children's Home Society for use in their three-fold services to children, natural parents, and adoptive parents.

A completed project of the Chapter was the donation of books to two libraries. Given to the Hillside School was "The Human Body — What It Is and How It Works." "The Rights of Citizens" by Margaret Riddle was given to the new Torrance Isabel Henderson Library. Mrs. Richard

Farrell and Mrs. Richard Vance accepted the library's invitation to the recent dedication and open house of the new facility.

Recently elected officers for the coming season are Mmes. Charles Burton, president; Richard Farrell, vice president; Harry Crider, secretary; Richard Vance, treasurer; Joseph Blaikie, publicity.

A tour of the new offices of the Long Beach Home Society area was enjoyed by several members of the chapter. The larger quarters include administrative and interview space for the personnel and a pleasant room for the use of the boarding mothers and their young adoptive charges. While there, they had the pleasure of meeting a two-month-old girl who was placed in her adoptive home the following week. A luncheon followed the tour.
