### Blind Boy Home After 9,700 Mile Trip by Bus

Dale Keen, a 15-year-old Torrance boy, has returned home after a tour of the United States by bus with 23 other area children.

The group, all blind, spent 69 days on a bus donated to the Foundation for the Junior Blind by employes of North American Aviation, Inc.

HIGHLIGHT of the trip for the teen-agers was a meeting with President John F. Kennedy during a tour of the White House, and speedboat rides on the Missouri River. The group traveled 9,700

miles in the bus, which finally broke down 300 miles from home... in Las Vegas.

THEIR THEME song for the trip, which they sang for their hosts every night, was "This Land Is Your Land."

The tired and happy youngsters transferred to a chartered Greyhound bus after their own bus broke down, crossed the state line singing "California Here We Come."

### Sons of Italy Pay Honor to Rochester, N.Y.

Rochester, N. Y., will be honored by the South Bay Order of the Sons of Italy 2126 on Sept. 15.

Phil La Loggia is in charge of the arrangements for the dinner-dance to be held at the Eagles Hall in Redondo Beach.

A Rochester Club will be formed during the evening. Dinner will feature White Hots. Admission is \$1, and ticket information is available at FR 4-0960.

Be unselfish. That is the first and final commandment of those who would be useful and happy in their usefulness. — Charles W. Eliot.

### Planners Call For More Study In Zone Change

County regional planning commissioners this week held for study a petition for a zone change involving 45 acres near S. Appian Way and Western Avenue in Lomita. The request was for a change to single family residence for construction of homes.

In other action, the commissioners approved a petition for the division of a parcel of land in Rolling Hills into two parcels of less than the required area, and approved a change of zone in Rolling Hills for the construction of a home on less than the normally required land.

### Garden Checklist

1. Aphis are less a problem with roses in late summer but mites are a real threat. Examine underside of leaves for their webbing and spray on sight.
2. Cut back delphiniums after the second bloom, but don't force them into a third bloom. It wears them out. Some may bloom again anyway.
3. Thin rank growth on grapes to admit light to the center of the vine.
4. Plant shade trees. The late August sun should let you know where you need them. They are available in cans at your nursery.
5. Start planting stocks, snapdragons and other winter bedding plants.
