

Cabrillo SL Assets Grow 20 Per Cent

An increase of nearly 20 per cent for the past quarter is reported by Cabrillo Sav- ings located in Rolling Hills Shopping Plaza.

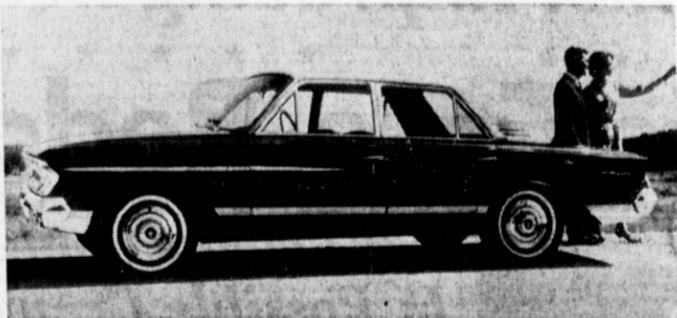

President and chairman of the board, Pietro DiCarlo, an- nounces assets are now \$5,250,- 000. In addition to many new individual and family ac- counts there has been a sharp upturn in the opening or sales tax deposit accounts by local businessmen, according to Manager Fred Strohmenger. Retailers can transfer their Board of Equalization deposits to a certificate account at Ca- brillo Savings and receive quarterly interest on the funds.

Cabrillo's board has voted to continue the "instant in- terest plan, which permits savers to earn up to 21 days extra interest in a quarter, at the current annual rate of 4.75%.

The Bible contains 33 refer- ences to salt, the earliest being in the book of Job, writ- ten 2,250 years before the birth of Christ.
