Expert on Finance To Speak to Lions

OPEN SUNDAY 'TIL 5:30 P.M.

Walter Adison Watson, financial author and publisher, will be guest speaker Tuesday at the noon meeting of the Lions Club of Torrance.

He will highlight his talk with an up-to-date analysis of the highest and best use of capital and income based on the current business picture.

Watson, whose financial writings have appeared internationally, is author of the popular booklet titled "Personal Financial Management for the Average Family."

"The ideal financial program is professionally organized for the individual with full consideration given to variable factors such as income, capital, age and family status, inflation-deflation, business cycles, fluctuations and numerous other factors which are constantly changing," he stated in briefing the subject matter for his talk.

Watson, who is being sponsored as a community service by California Federal Savings, will address the group at the Palms Restaurant.

Readings Set For Thespians

Readings for "Hansel and Gretel," by Lillian Robert Masters, to be directed by Mary Billinghurst, will be held Monday and Tuesday, 7:30 p.m. at Hampton Players Rehearsal Hall, 104 Pacific Ave., Redondo Beach.

Auditions will be held for six boys and four girls between the ages of 6 and 13 years, one man and two women.

Singing voices are desired for the characters of Hansel, Gretel, and Sandman.

New Speed Zone Set on Highway

A speed zoning change in Torrance from Pacific Coast Highway to 227th Street will reduce the speed limit from 50 miles an hour to 45 soon after Oct. 24, according to Jack Eckhardt, assistant engineer of the State Division of Highways. Signs will be posted prior to date of change.
