"Every retired man should have a hobby... pick one!"

Adventist Youth Club To Collect Clothing

Pathfinder youth club members of Torrance Seventh-day Adventist Church, 1610 Acacia Ave., have completed plans to participate in "Project Handclasp," in which they will collect bedding and clothing from persons throughout Torrance on Halloween eve for refugees who have fled to Hong Kong from Red China.

Once collected, the refugee supplies will be taken by the U.S. Navy from San Francisco to Hong Kong in a massive person-to-person help program.

John Dillon, 4713 Laurette St., Torrance, director of the local church youth club, said some 40 youngsters, ages nine to 15 years, and all dressed in uniforms of the local church's Pathfinder Club, will participate in the project on Halloween eve.

DILLON NOTED that all club members will be closely supervised by adult club counselors.

Local Shell Plant Gets U.S. Order

Shell Chemical Co.'s Synthetic Rubber Division here has received an order for \$24,277 worth of synthetic rubber being sold overseas under provisions of the United States foreign aid program, the Agency for International Development reported yesterday.

The Torrance plant is filling the order under a supply contract awarded by a Shell affiliate in Istanbul, Turkey. Purchase is financed under the U. S. economic assistance program in the Near East nation. Assistance agreements, administered by AID, provide that American suppliers have an opportunity to receive contracts from the foreign country, thus keeping approximately two-thirds of aid dollars in the U. S. economy.

Shipments bear a distinctive color emblem identifying them to the people of the assisted nation as products of the U.S. aid program.

The church youth club director explained that food-stuffs will also be collected by the local church youth club members. The food will be sent to Monument Valley, Utah, where it will be distributed under supervision to needy Navajo Indians without regard to creed. At Hong Kong the bedding and clothing collected will be distributed by Adventist mission personnel to all needy refugees. Dillon pointed out, "The only consideration at the distribution centers in Hong Kong will be that a need exists," he said.

DILLON SAID persons who desire to contribute clothing or food to "Project Handclasp" who may be inadvertently missed on Halloween eve by a member of the local church youth club, may bring their gift to the local church at 1610 Acacia Ave., or may call FA 8-1540 or FR 1-4859 and the gift will be picked up.

Since the collected bedding and clothes must be moved quickly to the western Adventist welfare depot near San Jose and then on to San Francisco where U.S. Navy ships will carry it to Hong Kong, Dillon cautioned that "there will not be time to do extensive repair to clothing given."

THE CHURCH youth club leader said clothing given should be without tears and should be as clean as possible to expedite shipment to those in need.

"We know there are many persons in Torrance who will feel it a privilege to help those who have been under oppression in Red China through 'Project Handclasp,'" said Dillon.

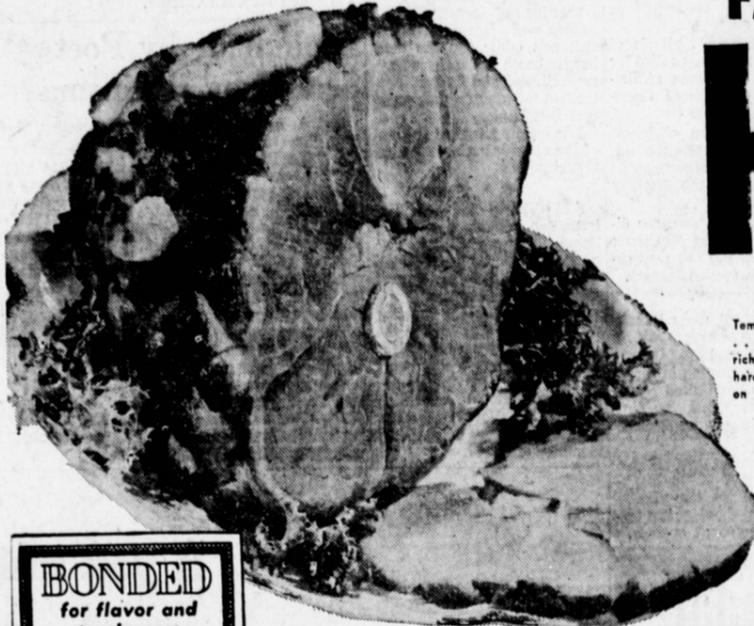

"Our youth club is happy to lend its youthful support to this person-helping-person program," he stated.

Market Steamed Up, Check Shows

Smoke seen coming from the Better Foods Market at 5301 Torrance Blvd., about 4:46 p.m. Sunday turned out to be steam coming from inside the structure, police found upon investigation.
