Fish Films Set Tonight

The November meeting of the Harbor Aquarium Society will be held tonight at 8, in the Recreation Hall at McMasters Park, Artesia and Yukon. This last meeting of the year will be called to order by Al Doyle of Hawthorne, President.

The main feature of the program will be a movie, "Coral Wonderland," a color production, showing the sea life in and around the great coral reefs of the world.

Walt Daugherty of Los Angeles will be a guest and will give a short talk on the subject of tropical fish in the home aquarium.

The fish of the month film will be on the lobsters reticulatus, the little fish with the big name, or guppy. One of the most prolific and colorful of the smaller tropicals and long the most popular.

The door prize will be a five gallon aquarium with hood. Refreshments will be served after the meeting. Everyone interested in aquariums is welcome to attend.
