## FINAL CHANCE Type II Sabin Polio Vaccine Clinic Sunday

Sunday is the last day Type II Sabin polio vaccine will be offered to the public. The HERALD has this area's clinics listed in today's paper. A token 25-cent donation is requested but not mandatory. It is urged that all ages take Type II vaccine. Persons who missed Type I, which can be obtained from physicians, can go ahead with Type II at this time. Sabin is also recommended for persons who have had Salk shots, as the former is needed to insure individuals against being carriers. Sabin vaccine is easy, quick, painless. Just swallow on a sugar lump and be SAFE! Clinics will be open from 11 a.m. to 6 p.m. The program is conducted by Los Angeles County Medical Assn. with the assistance of other community organizations and 50,000 volunteers.
