

### Space Ship Here Today And Friday

Local children will be treated to free trips to the moon today and Friday when Frankie Luer brings his huge space ship to the Foods Co. Markets at 17500 Crenshaw Blvd., today, 2655 Pacific Coast Hwy., Friday. Free trips in the rocket ship will be available from 2 p.m. to 7 p.m. daily.

Built by Luer Packing Co. to entertain their young friends, Frankie Luer's Space Ship is an authentic 60-foot replica of the giant interplanetary ship of the future. Inside its metal hull, the space ship contains a

comfortable 34-seat auditorium where children are seated for their 7-minute trip to the moon. During their trip the young space travelers experience all the thrills of super-sonic flight, from the first surge of power as the ship blasts off to the final bump as it lands again.

TECHNICALLY, the Luer Space Ship is a mechanical and electronic wonder. The full color animated film of the trip is projected onto the front "view plate" by means of a

lens device that resembles a periscope. This allows a projection space of a few feet to accomplish the same thing as a huge auditorium projection room, and adds realism to the film.

Vibrators mounted in the tail of the ship give the illusion of flight with both sound and vibration. Other unique devices on the Luer Space Ship record altitude and flight time in a series of lights that can be seen by the passengers.

Captain Frank will be happy to have you aboard.

### Trojans Get Plaudits of Supervisors

The Board of Supervisors Tuesday publicly honored members of the University of Southern California football squad and Coach John McKay as the nation's No. 1 football power.

Supervisor Burton W. Chace, in offering the motion, pointed out that the victorious Trojans finished an undefeated season of 10 victories and will represent the West in the Rose Bowl Jan. 1.

"This is an outstanding honor for students of the University of Southern California and for the state," Chace said. "It is appropriate that we extend best wishes to the Trojan team and coaching staff for the New Year's Day game with Wisconsin."

### Narbonne Baptist Church To Celebrate Anniversary

Sunday will mark a double anniversary at the Narbonne Baptist Church of Lomita. The church will celebrate its 18th anniversary. The pastor, Robert A. Wells, will begin his 13th year.

The church began in a store building on Lomita Boulevard in 1944. Now the church owns property on both sides of Narbonne Avenue at 248th St. Beginning with a charter membership of 13, the church asked their present pastor to assume this task in 1950 when the membership had reached 150. The present location had been selected and a store building with 4,400 square feet of floor space was in use. The church membership has now passed the 1,000 mark, and the buildings contain over 28,000 square feet of space.

The church staff has grown to five. This includes a full-time pastor for the Spanish Mission Church in Wilmington. Two part-time employees complete the staff.

MISSIONARY Tom Tipton of Tanganyika, East Africa, will be the speaker for both the 8:30 and 11 a.m. services on Sunday. Mr. and Mrs. Tipton

### Baptist Choir To Sing Carols

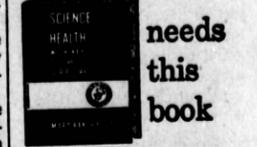

The Calvary Baptist Elementary School choir under the direction of Mrs. Elizabeth Rice will sing several Christmas selections Sunday at the 7 p.m. evening service of the Calvary Baptist Church, 2818 Manhattan Beach Blvd.

Among the selections to be sung will be arrangements by Gunnar Malmrin of "Adoration" and "Carol of the Friend by Beasts." Solo parts will be sung by Don Judge, Gary Potter, Bonnie Davis and Susan Wojnar. The Rev. Lawrence J. Clark, principal of the school, will bring the message of the evening.

The Rev. H. Earl Kuester, pastor, will preach at the 8:30 and 11 a.m. duplicate services

on the theme "God's Temple: Holy or Defiled," based upon the text, I Corinthians 6:13-20.

EVERY HOME-MAKER

needs this book to bring peace to the household

Today's homemaker finds it increasingly important to maintain an atmosphere of peace in the family, where each member can find strength to meet the problems of the outside world.

In Science and Health with Key to the Scriptures by Mary Baker Eddy many families are finding the intelligent answer to all their problems.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$3.
