

Sunday Evening

Twelfth Christmas Concert Scheduled

Los Cancioneros will add to the festivities of the Christmas season as they present their 12th annual Christmas concert for residents of Southwest communities at 7:30 p.m. Sunday at the Palos Verdes High School.

The program, open to the public without admission charge, is again sponsored by the Palos Verdes Community Arts Assn.

Members of the audience will be asked to join the chorus in singing some of the well loved Christmas carols.

ALSO TO BE heard will be the Czechoslovakian "Zither" carol, the Spanish carol "Gata-tumba," which will be accompanied by rhythm instruments, and contemporary settings of Christmas music by Brittain and Willan.

The program will close with a performance of selections from the opera "Amahl and the Night Visitors" which was written by Gian Carlo Menotti especially for the Christmas season.

LOS CACIONEROS is directed by Barbara Mabin with Dorothy Asher as pianist.

As guests of the Community Arts Assn., the public is invited to meet the singers around the traditional Wassail bowl following the concert.

Avoid Dangers In Snow Areas, CHP Warns

Winter sports will lure thousands to the mountains during the next few months, but for the unwary, the trip can be troublesome and in many cases dangerous, California Highway Patrol Commissioner Bradford M. Gritten-den said.

He offered these reminders to motorists headed for snow country:

"Always carry chains. When signs say that chains are required you must stop and put them on. And don't remove them until you see the official 'End of chain control' signs.

"Reduce speeds when driving on snow, ice or rain-slicked surfaces.

"Increase following distances. From three to 12 times more distance is required to stop on icy or snow-covered roadways.

"Use the brakes cautiously. Rapid but gentle pumping is the best means of stopping on a slick surface.

"Make turning motions slowly and smoothly to avoid skids. If a skid does start, turn the steering wheel in the direction the back end of the car is moving. When the vehicle straightens, pump the brakes gently to come to a stop."

a plug-in dryer can do this much work in 150 minutes

a gas dryer can do this much work in 150 minutes

Now really—why tolerate a slow, 120-volt, plug-in dryer when Gas can do the job up to 4 times faster—at about 1/4 the cost per load? A Gas dryer is so fast that while a plug-in dryer does one load of wash, a Gas dryer can do four! You stay ahead of your washing machine with laundry that's dried fast, fresh, and fluffy. And thanks to lifetime Gas burners, repairs on Gas dryers are very few and far between. Now really—don't you agree that a fast Gas dryer is a very smart buy? Gas dryers are first in sales in Southern California—first in homes—sales figures show more homes here buy Gas dryers. First in self-service laundries—almost 100% use Gas dryers exclusively. First in commercial laundries—almost 100% use Gas dryers exclusively. See the new automatic Gas dryers at your dealers or in your Gas Company showrooms. Select from these famous makes: RCA Whirlpool, Norge, Philco, Maytag, Frigidaire, Kelvinator, Hamilton, Easy, Speed Queen, Blackstone.
