Exchange Student Forms Available at North High

Families interested in having a foreign exchange student in their homes next year may pick up preliminary applications at North High School, James H. Blue, senior boys counselor, announced recently.

The preliminary forms must be returned to Blue by Feb. 8. An interview is then arranged by the home placement committee, Torrance chapter, with the family. The final selection of the family is made by New York headquarters on the basis

of matching interest and compatible personalities.

The students, from 55 foreign countries, arrive in the United States in August and remain until the following June. They are 16 to 18 years of age, speak English and are always members of the senior class in American high schools.

Further information concerning foreign students may be obtained by calling Mrs. Joseph Dock, home placement chairman, FR 1-4902.
