**Adoption Auxiliary Plans Membership Coffee Feb. 15**

Sending their Valentines a bit early this year, members of Sir Beaumains Chapter, Children's Home Society of California, are using them as invitations to an informative coffee to be held Feb. 15 at the home of Mrs. Gloria Barbour, Palos Verdes Estates.

Sir Beaumain's Chapter was chartered almost two years ago to serve the Torrance, San Pedro, and Gardena areas. During their short history as an auxiliary to the Children's Home Society, the group has conducted the baked goods booth at the Society's annual Christmas bazaar and held swim parties as fund-raising projects. The donations of books to libraries and the sewing of smocks for

unwed mothers have also kept them busy.

The planned Valentine coffee will acquaint prospective members with the work of the Children's Home Society. Miss Joan Finneran, assistant director of volunteers for the district, will narrate a color slide session entitled "The Story of an Adoption."
