BRUCE JONES Celebrates 25th Year

### Jones at 25th Year With Bank

Bruce Jones, manager of Bank of America Torrance branch, is observing his silver anniversary with the statewide bank this week.

Jones, manager here for the past year, is an old friend to the Torrance area, serving as assistant manager of the branch from 1957 to 1959. Beginning his banking career as a clerk at Los Angeles central office, he received his first officer promotion at the 8th and Vermont branch. In 1959, he was appointed manager at El Segundo.

A NATIVE of South Wales, Jones immigrated with his family to the United States and graduated from high school in Los Angeles. He is a graduate of the American Institute of Banking, educational wing of the American Bankers Assn.

As an outstanding Bank of America employee, he was granted a Giannini Foundation Award for an 11-week course in industrial relations at UCLA. He also completed a three-year course of study at the University of Washington graduate school of banking.

Jones has been active in both Torrance and El Segundo civic organizations and presently is a director of the Torrance Chamber of Commerce.

He and his wife, Bernice, have two children: Marsha, 15; and Robert, 12. They live in Manhattan Beach.

### Tartar Girls League Holds Installation

"Hearts and Flowers" was the theme for Torrance High School's Girls League installation tea held recently in the Torrance High School home-making room.

Retiring officers, who were presented red and white carnation corsages, in turn gave long-stemmed carnations to the new officers. Retiring president Andra Silver was the installing officer.

Incoming officers for Girls League for spring 1963 are: president, Gayle Schenk; vice-president, Kerry Sumowski; secretary, Janet Kimbrell; treasurer, Caren Williams; historian, Georgann Gillett; freshman representative, Kathy McDonald; sophomore representative, Pat Meyer; junior representative, Judi Smenner; senior representative, Barbara Anderson.

Sandra Crabtree, accompanied by Jane Strohm, sang "My Funny Valentine."

Mothers who attended were: Mrs. Patrick Huffine, Andrew Silver, Gerald Davis, Henry Ludwig, and Catherine McCusker.

Mrs. Virginia Lindsey, Reba Groesch, Gladys Kennedy, Nancy Davis, Patsy Jaegers, Catherine Baker, Mr. Marcus Caldwell, and Mr. Gerald Roman were Torrance High faculty members who attended.

### Makes Honor Roll

Robert Allen Ford, son of Mr. and Mrs. Frank Ford of 16714 Cherry Ave., is among the 604 students who earned places on the honor roll at the College of Liberal Arts and Science for the fall semester at the University of Kansas.

Girl Scout Week is March 10 through 16. Each year, this week is designated as a means of encouraging members to re-examine the promise and laws by which Girl Scouts try to live, to inform the public of their activities, and to celebrate their birthday, which falls on March 12.

Each of the seven days in Girl Scout Week is set aside to concentrate on some one aspect

of Girl Scouting, and many troops plan their activities around these facts of the Girl Scout program.

March 10 is Girl Scout Sunday in which girls worship according to the religion of their choice, with girls of the Jewish faith commemorating their beliefs on the preceding Friday. Monday is designated as home-making day; Tuesday, citizenship; Wednesday, health and

safety; Thursday, international friendship; Friday, arts and crafts; and Saturday, the outdoors.

IN ADDITION to their regular duties, Girl Scout leaders are going back to school this spring. In the greatest training effort ever undertaken by the organization all troop leaders in Los Angeles Council are polishing up their present

knowledge of Girl Scouting and learning some new ways of doing things.

The fundamental principles of Girl Scouting remain the same as since its founding in the U.S. in 1912. However, the organization is striving to establish better continuity from the beginning to end of the 7-through-17 age range in Girl Scouting.
