## Plans for Convention On Schedule

Members of the Torrance congregation of Jehovah's Witnesses are busy now with preparations for the eight-day international convention of the church in Pasadena Sept. 1-8.

Many of the Torrance members have volunteered their help in preparing for the mammoth convention, reports the Rev. Mr. Leonard Olliff, pastor of the church. More than 70,000 delegates from the western states, Canada, and South America are expected at the Rose Bowl.

The Rev. Olliff reports enthusiasm is very high for the large "family reunion." A complete program for the Spanish-speaking delegates is being planned.

More than 20,000 hours have been spent so far in the search for accommodations for the delegates. About 8,900 of the greater Los Angeles congregations are conducting the search.

Marine Lance Corporal Richard Oliver, son of Mr. and Mrs. A. F. Oliver of 2517 W. 177th St., recently completed "lock-on" training with the Second Battalion, Seventh Marine Regiment, First Marine Division at Camp Pendleton, Calif.

**ULTRA-MODERN . . .** Al Ortale Rambler has finished plans for a new \$150,000 facility at 20710 Hawthorne Blvd. that is expected to reach completion late in September. The new building will boast facilities for a 14-car showroom, a 40-car outdoor display area, and the latest in service facilities. Ortale will continue to maintain his used car lot at 20611 Hawthorne Blvd. and a third location at 1885 Torrance Blvd.

## Ortale Rambler Completes Plans For New Ultra-Modern Facility

A \$150,000 ultra-modern automobile facility will be completed in late September at 20710 Hawthorne Blvd., according to national prize-winning Torrance Rambler dealer Al Ortale.

The new building will house a 14-car showroom, an outdoor new car display area under the lights capable of holding 40 cars for immediate delivery, and a new service department.

Ortale says the service department will include the latest equipment in testers, lubrication, alignment and other mechanical devices. The department will be housed in a new 20-stall building.

Since purchasing the Rambler dealership in 1961, Ortale's organization has won two nationwide American Motors sales contests and the new headquarters were necessitated due to the increase in sales and service.

The Torrance dealer will continue to maintain his used car department across the street from the new facility at 20611 Hawthorne Blvd. A third location, at 1885 Torrance Blvd., will be completely renovated for the Ortale International Truck unit.

A new body shop will also be quartered at the Torrance Boulevard address.
