CHUCK STEAK **39¢ lb.**
Rich in Tenderness and Goodness . . . You'll Love Its Flavor

Mary Morgan
OUR OWN HOME ECONOMIST

Turn an economy chuck roast into a culinary conversation piece at family or company dinner this week with our SPANISH FIESTA CHUCK recipe! This flavorful lean roast is quickly browned, then slowly oven-cooked with onion, green pepper, mushrooms and stuffed olives, in a zesty tomato soup sauce. In a short time the meat is fork-tender and yields 8 portions of delicious meat with enough gravy to be served over steamed rice or potato. Pick up your free copy this week!
