Air Force Issues Call For Nurses

S/Sgt. Ray Stauble, Torrance Air Force recruiter, this week issued a call for qualified nurses to fill positions in the Air Force Nurse Corps.

Stauble said applicants who qualify will be commissioned as Air Force reserve officers in grades commensurate with their age, education, and professional experience. Successful applicants will begin active duty in that grade.

The recruiter reminded prospective applicants that the minimum tour of duty is two years for women, and three years for male nurses.

Applicants must be at least 21, but less than 35 years of age. They must be citizens of the United States, graduates of at least a three-year college of nursing that is acceptable to the Surgeon General of the Air Force, and meet the physical standards.

Detailed information may be obtained by calling the Recruitment Station at FA 8-1404, or visiting Stauble at 1616 Cabrillo Ave.

Representative Named for Area

Stanley F. Burns of Torrance has been named sales representative in the southwest area for Financial Programs, Inc., a national distributor and investment manager of the \$270 million Financial Industrial Funds.
