

...Pickets

(Continued from Page 1)
cars. City Manager Wade E. Peebles and other city officials also were seen in the area.

EARLIER HOPES that the demonstration could be averted were raised with the announcement of demands which were made on Wilson by leaders of the integration movement.

At a press conference in Los Angeles, Dr. Christopher L. Taylor, head of the NAACP-UCRC, listed five conditions which could head off the demonstrators if met by Wilson.

1 — Accept the deposit of attorney Jackson for the purchase of a home in the Southwood tract, in which no Negroes now live.

2 — Hire a Negro real estate salesman in the Southwood office.

3 — Move for the dismissal of trespassing charges against 40 Congress on Racial Equality sit-in demonstrators against whom he has made citizen's arrests.

4 — Issue a public statement saying he is selling houses on a non-discriminatory basis and place the statement in his advertising and post it in his sales offices.

5 — Advertise his Center-view development, heretofore considered a "Negro" development, in the Los Angeles Times, and advertise his Southwood tract in the California Eagle and the Los Angeles Sentinel, circulated principally in the Negro community.

A MEETING between Wilson and three Negroes missed by minutes Friday evening.

Wilson, newsmen, and others waited in the tract office until about 7:12 p.m. Friday after the developer had been asked to meet the five demands by 7 p.m.

After waiting from about 8 p.m. to after 7 p.m., Wilson left, saying, "I feel I have fulfilled my obligation, that staying as long as I have is a evidence of my good faith."

WITHIN MINUTES after he left, attorney Jackson arrived, accompanied by two Negro real estate salesmen, Sheldon Mays and James Spratley.

Spratley asked Harris for a job and was told to make a written application. Jackson said later that he would return Monday with his wife in an effort to purchase one of the Southwood homes.

If you need more storage for linens and other household items, consider using the walls of your hallways which are usually wasted. If you panel your halls in some workable wood like west coast hemlock, it is easy to utilize paneling for doors on all sorts of storage units.

Cash Distribution Slated For UCC Employees Monday

A cash distribution of \$193,787 under an employe savings plan in which the company adds as much as 30 per cent of the employes' savings will be made Monday to more than 149 employes of the Torrance Plant of Union Carbide Chemicals Co.

The employees saved \$145,149 of their own money through this plan during the last two years. The balance of \$48,638 represents the amount the company added, fund surplus, and earned interest. Union Carbide Chemicals Co. is a division of Union Carbide Corp. Under this plan, employes set aside up to 7 1/2 per cent of their earnings and the com-

pany adds 10, 20, or 30 per cent of this amount, depending on whether the employe has one, two, or three or more years of company service.

The plan contains provisions for short-term savings and long range investments or a combination of both. This flexibility, which is one of the outstanding features of the plan, permits employes to set aside cash for a distribution every two years and also provides the choice of long-range investment in either U. S. Savings Bonds or Union Carbide stock. Savings plans were available to Union Carbide employes as early as 1935.

Torrance Woman Spends 31 Years 'On the Phone'

A Torrance woman has retired from Pacific Telephone after 31 years in the communications industry.

She is Lorraine Elizabeth Brorby, of 2257 W. 235th St., whose most recent position was as a long distance operator in the company's Wilmington office.

Mrs. Brorby's career began in 1928 as an operator in the city of her birth, Minneapolis. She served telephone users on local, long distance and information calls for more than three decades.

Mrs. Brorby belongs to the Mother's Club of the Order of Job's Daughters, Bethel No. 50, Torrance; Order of the Eastern Star, Chapter No. 591, Lomita, where she served as hostess in 1960 and 1961 and was on the publicity council in the Wilmington telephone office for Telephone Pioneers of Amer-

Measles, Mumps Still on List

Measles and mumps continued at the top of the reportable diseases list in Torrance. Three cases of measles and two of mumps were reported for the week ending June 22.

Also reported was one case of salmonellosis and one case of syphilis.

Clifford W. Putman, warrant officer J. G., recently completed a 16-week warrant officer rotary-wing aviator course at the Aviator Center, Ft. Rucker, Ala.

Putman's wife lives at 21112 Royal Blvd.

A graduate of Hollywood High School, Putman entered the Army in 1956. His parents reside in Hollywood.
