

### Summer School Enrollment Up 13 Per Cent

Attendance at Torrance summer schools is up 13.3 per cent over last year, according to a report received by the Board of Education this week. Enrollment on the fifth school day was 8,464 in the elementary schools and 4,037 in the high schools, for a total of 12,501. Enrollment on the same day a year ago was 11,024. The largest increase was in high school enrollment, where a 20.7 per cent increase was noted.

### Garden Checklist

1. Tall bearded iris may be planted now. New varieties are available.
2. Tall geraniums will bloom longer and look better if you trim the plants back now and then as old bloom starts to fade.
3. Water potted geraniums, begonias and fuchsias more often than you would if they were planted in the ground.
4. Plant bird of paradise now for fall and winter bloom. Give them a warm sunny exposure.
5. Plant zinnias, scarlet sage, marigolds and other annuals for a mid-summer shot of color in the garden.

### Housewife Graduates First in Her Class

It took Sara M. Lieberman slightly longer than the average student to graduate from El Camino College — but Mrs. Lieberman is far from an average student. An honor student, Mrs. Lieberman received her associate of arts degree from El Camino last month with the knowledge that she had won a double victory. She is a homemaker and graduated top in her class.

SARA M. LIEBERMAN  
A's All The Way

ENROLLING IN the fall of 1958, Mrs. Lieberman began a program in psychology hoping to transfer to UCLA. She still plans to enroll at UCLA and hopes to have a career in social work. She is also a homemaker and the mother of two children.

Mrs. Lieberman was one of two divisional winners in social science. She undertook 73 units of college work and graduated with a 4.0 grade point average — all A's in all courses.

### Thomas Moves Joint Audit Offices Here

Assemblyman Vincent Thomas has moved the Joint Legislative Audit Committee offices to San Pedro. Thomas was elected chairman of the committee during the recent session of the State Legislature. Members of the committee in addition to Thomas include assemblymen Leroy F. Green and Nicholas Petris, and senators Hugh F. Donnelly, Richard J. Dolwig, and Luther E. Gibson.

Jay Bardwell, consultant to the committee for the past two years, has moved to San Pedro to work with Thomas. The committee is the State Legislature's independent auditing agency. Dramatic is the way to make an entrance. Use vertical wood screens to mask uninteresting entrances from garage to home. Cedar posts and one inch lumber is ideal for this purpose.
