George Post Heads YMCA Building Fund Campaign

George Post, Torrance banker, today was named general campaign chairman for a \$570,753 drive for a new Torrance YMCA building this spring. Allen Pyeatt, chairman of the YMCA board of directors, has announced.

He will head a force of 932 workers which will seek \$361,000 from individuals and business firms in the area. Another \$150,000 has been pledged by the Metropolitan Los Angeles YMCA from a central fund. The remainder of the funds have been donated to acquire the new site.

The money will be used to construct and furnish a new YMCA building at 2800 W. Sepulveda Blvd. in Torrance to replace the World War II mess hall which has served as the Torrance YMCA's headquarters in recent years. Final plans for the new building are expected to be ready within a short time.

YMCA BOOSTERS . . . George Post, right, YMCA general campaign chairman for a \$570,753 drive, accepts a \$1,000 check from Lamar L. Bonnette, president of the Hollywood Riviera Sportsman's Club. The check will go towards the new YMCA building at 2800 W. Sepulveda Blvd. (Herald Photo)

Three Fetes Slated for Coming Week

Three separate banquets will be held for Torrance Family YMCA members next week. Each occasion serves a different segment of the "Y" membership.

The first is a Father and Son banquet on Monday evening for all Y-Indian Guide dads and sons. The 550-person affair will be held in the Space Technology Laboratory cafeteria. The group will be entertained by the Pete Corey Indian Dance Team, and new and retiring officers will be honored.

On the following evening, YMCA Mothers and Daughters will gather for their banquet at the Gardena Methodist Church. Members from the 19 Y-Indian Maiden tribes sponsored by the Torrance YMCA will conduct colorful ceremonies, and be entertained by the Order of the Arrow Indian dancers.

On Friday evening, Feb. 14, all YMCA adults are invited to the Y's annual Sweethearts Dinner-Dance at the YMCA. Pre-1950 music will be featured, along with the invitation supper, dancing, tables games, and watching the strange dance steps from a few years back.

All three events are open to the general public, but reservations are necessary and the YMCA at FA 8-1272.

OUR 5th YEAR

BEST ONE YET! (the others were good too)

Here's why. People like our Zeigler Facial Exercisers. So many women (and men) have bought them and used them...so many users experienced results...and told us so. Thousands of Zeiglers have been sold.

At our office birthday party the other day, our Sales Manager came up with a new idea. "Why not offer a full 30-day return privilege with every Zeigler? Then new customers can buy it with the assurance that it must be right for them...or, they simply send it back!" We liked the idea. So here it is, in bold-face type:

30-DAY RETURN PRIVILEGE WITH PURCHASE OF THE AMAZING ZEIGLER FACIAL EXERCISER

25 months of careful medical testing showed over and over again that regular use of the Zeigler brings to many a more youthful facial appearance; such improvement is truly astounding!

With this offer, you have nothing to lose. Use the Zeigler for 30 days. At the end of that time, if you don't feel it's the greatest investment you ever made, you're free to return the unit to us for full refund.

For a free demonstration, invite the Zeigler representative to show you how the Zeigler works, either in our Studio or in the privacy of your own home.
