### Elks Lodge Forming Car Club for Youths

Applications are being taken at the Torrance Elks Lodge for membership in a car club being formed by the lodge. Applicants must be 16 years of age or older and their fathers must be members of the Elks. The club would probably enter the annual youth safety run, car shows, poker runs, charity drives and participate in other community projects, according to A. L. Jackson, Torrance Police Department car club advisor.

The club is being formed to provide an activity for an age group of youngsters that could become an asset to the lodge and the community, Jackson said.

Jackson and retired Police Lt. Alex Thompson will serve as advisors. The Elks Car Club will probably become a member of the Associated Car Clubs of Torrance which is sponsored by the Torrance Police Officers Assn.

Other requirements for membership in the Elks Car Club include parental consent, access to the use of an automobile, and a willingness to abide by the rules and regulations established for the club. The requirement that fathers of youths in the club be Elks members might be waived later, Jackson said.

### YMCA Plans Boys Trip To Europe

A summer-long trip to Europe, with visits to Washington, D. C. and the New York World's Fair enroute, is being sponsored by the Torrance YMCA for boys 16 to 20 years of age.

Two groups of eight boys already have signed up for the venture, and information on other groups can be obtained from the 'Y' by calling FA 8-1272. The boys, who will be accompanied by an experienced leader, will travel in groups of eight via Volkswagen Microbus.

Any boy between 16 and 20 is eligible to go, and previous 'Y' experience isn't necessary. The trip, which will start June 23 and end Sept. 2, will cost \$1,475. All expenses are included in the single price tag.

Gilbert Anderson is the local director in charge of the trip.
