Predict Bonelli Victory

A sweeping Bonelli victory on both tickets in the June 6 primaries was predicted today by his friends and supporters. Independent polls taken in the eight counties of the Fourth District show William G. Bonelli far out in front in every section in his race for re-election to the State Board of Equalization, it was announced.

"Reports from the army of volunteer field workers throughout Southern California reveal that William G. Bonelli's re-election to the State Board of Equalization is assured," says Bonelli headquarters. "We are certain he will sweep both the Democratic and Republican primaries just as he has done in his three previous campaigns for the office. Workers' reports, cross-checks, and independent surveys all indicate Bonelli will be re-elected on June 6th by the largest Democratic and Republican vote he has ever received."

The order of succession to the presidency of the United States extends from the President to the Vice President to the Speaker of the House of Representatives to the President pro tempore of the Senate.
