## Editor's Note

All letters directed to the Editor will be printed under "Letters to the Editor," and must conform to the following procedure:

Length must be restricted to one type written page double spaced or they will be subject to censoring by the editor. Letters may not contain libelous or material defaming any individual or group.

All letters must be signed, although names will be withheld upon request of author.

Letters must deal with local problems and happenings only.

The Press is happy to cooperate with any individual or group in printing their views and opinions, but does not necessarily share any viewpoint expressed under "Letters to the Editor."

## Jayvees Lose First Game To Pasadena

El Camino's jayvees absorbed their first drubbing of the season October 16, as they faltered late in the game to blow a 7-0 lead and lose to Pasadena 12 to 7. The game was played in the El Camino stadium.

Halfback Ray Day raced 73 yards around left-end and after taking a pitch-out from quarterback Boyd Crawford to score in the second period and give the Warriors a one touchdown halftime lead.

When play resumed in the second half, the jayvees suddenly developed a knack of dropping the pigskin, and in the final quarter Pasadena recovered two fumbles which proved fatal. The visitors tallied from 12 and 8 yards out to capture the contest.

An interested citizen.

## Motorcycle Classic Sun. At Carrells

Motorcycle classics of the Fall season is scheduled for Carrell Speedway's spectacular one mile winding "pretzel" Sunday, October 29. It's the 100 Mile A.M.A. Road Race Championships and cycle experts predict the greatest entry list in history.

Now that bad weather has closed in on eastern events, the top drivers of the nation are heading west for the 100 Mile gigantic.

Time trials will start shortly after noon, with the Helmet Dash opening the program at 2:30.

Tex Luce, the winner of the recent 100-Mile Championships at Carrell, will be on hand to defend his "marathon" ability, as will the runner-up Chuck Minert and third place winner, Jack Horn.

Cliff and Bill Emde of the famous "Flying Emde" family will be on hand from San Diego, as will Jimmie Phillips, Pasadena; Turp Turpin, Norwalk; Jack Dale, Honolulu; Mel Tullgren, San Gabriel; Bert Brundage, Glendale; Don Hawley, Lynwood; Bobby Turner, Bakersfield; Red Wendell, Ventura; Chad Carroll, San Pedro; Don Bishop, Torrance; Johnnie and Ernie Rocco, the racing brothers of Los Angeles; Bud Hogan, Gil Armas, Mickey Schaffer, and Ken Maley of Los Angeles and a flock of other Southern road racing greats.

Carrell's tricky course is rated as the most sensational ever tried by the big road racing bikes. The first event on the mile course was ranked as the most spectacular ever staged by the M. A. racers at Gardena.

Prices remain the same for the Sunday afternoon speedfest, \$1.25 for all seats, with kids under 12, free, if accompanied by an adult.

## El Camino To Battle Modesto JC

Due to a conflict in stadium usage El Camino's football cavorters fly to Modesto today to play Modesto J. C. in a non-conference grid tussle. Kickoff time is 8:00 p. m. The game was originally scheduled for October 27.

In two previous meetings each team has emerged triumphant once. Modesto won 20-14 in 1948, and last year the Warriors revenge the defeat by winning 35-14.

This year Modesto has only one setback to spoil their record, a loss to Boise, Idaho, 3-13. Otherwise they have looked very impressive in beating Menlo 13-6, and a strong Los Angeles City College club, 20-12.

On the other hand Camino is sailing along unbeaten after five starts. The Warriors have finally blossomed into a well-rounded, precision machine, displaying their full assault for the first time last week when they toppled Bakersfield 27 to 7.

Editor,  
The Press,  
In reference to your article of October 12, on the ambulance service in Torrance, I have formerly been associated with private ambulance concerns and your situation is the same that many other communities have experienced.

But, do you know that the city of Long Beach pays over \$75,000 per year to maintain a service that could just as well be done with private concerns and at no cost to the city?

If you make a study of the running of an ambulance, you'll find it takes no less than 50,000 population for one car. Don't forget, this has to be operated on a business basis the same as your newspaper or any other business. You wouldn't set up offices in El Nido, would you?

Yes, I believe in good prompt service. I believe you will find the Chief of Police satisfied with service now. In fact a patrolman told my wife the ambulance from Rendondo offers better service than when the ambulance was sitting there in Torrance—I don't know anything of this concern, but I'd say they are doing O. K. I believe Gardena is too.

## Boy Scouts To Buy Camping Equipment

A community meeting of the Boy Scout Troop No. 240 of Watering was held Sunday morning at the home of Scoutmaster William Litutz.

Plans were made to purchase camping equipment and a troop flag.

Two new members, Dr. Rodney Stetson and George Olding, were accepted to the committee. At the last troop meeting, Friday, Oct. 20, it was voted by the boys to give one week's dues to the Crusade for Freedom.

Scouts Herbert Gudson, Victor Jones, and Bill Young passed the tenderfoot test, the Scoutmaster reported.

There are now 19 members, and the books are open for new members.
