Constitution Day Observation Plans Being Completed

Detailed arrangements are now completed for the local observance of Constitution Day, Sept. 17, 1951, at the Civic Auditorium, is the latest report from William T. Faulkner, realtor, and committee chairman of this event which is being sponsored by the Torrance-Lomita Realty Board.

Many local organizations have already indicated their unqualified desire to support this 164th Anniversary of the signing of the Constitution by the delegates to the constitutional convention held at Philadelphia from May 25th to Sept. 17th, 1787. Faulkner added "Our constitution is not the product of any one mind but is the result of a series of compromises on almost every one of the important provisions. In spite of all these compromises, Lord Bryce, the historian, was later able to write 'The constitution of the United States of America is the greatest instrument of its kind ever struck off at one time by the hand of man.'"
