CHAMPIONS—Rod White, Eastern States Professional Baton Twirling Champion, pictured above with his twirling partner, Sharlene J. Bielke, will re-open baton twirling classes here on September 17 at the Moose Hall, 1951 West Carson street. The classes will be held on Monday evenings at 7 p.m.

### Civil Service Help at Free Adult Classes

Typists, secretaries, and office workers will be given "inside" advice on preparing for clerk-typist and secretarial jobs in defense and non-defense plants in the free adult classes held by Mack Lander at Torrance Evening High School.

The typing classes will be held on Monday, Wednesday, and Thursday nights from 6:30 to 9:30, while the shorthand class will be held at the same time on Tuesday nights. The program will start on September 17.

Beginning, intermediate, and advanced students in typing, shorthand, and business practices are invited to join these classes for either learning new material, or for brush-up and review.

Lander has had vast experience as executive secretary for large companies and will be in a position to give students first hand, practical, business information to meet civil service and also defense and non-defense plant business office requirements. Students should go directly to class to register in Room 204 of Torrance High School and should telephone Torrance 645 for further information.

### Women Defense Classes Open

Free adult classes in machine shop and industrial practices will be held each Tuesday and Thursday nights from 6:30 to 10 in the shop of Torrance High School, starting Tuesday night, September 18.

This free class is open to both men and women and features a wide variety of machines used in defense industries, such as lathes, milling machines, drill presses, shapers, and grinders.

Both beginning and advanced students are invited to discuss shop operations with the seasoned instructor, Tom Bray. Bray has had wide experience in industrial plants in this area and has several contacts that may help students more easily adjust to new jobs.

Men and women planning to join this course should attend the first meeting of the class on Tuesday night, September 18 at 6:30. They should telephone Torrance 645 for further information.

### Baton Champion To Start Class Here Sept. 17

Rod White, Eastern states professional baton twirling champion, announces the re-opening of baton twirling classes to be held on Monday evenings—starting September 17 at Moose Hall, 1951 West Carson in Torrance. Registration for new members may be made at 6:45 p.m. Class starts at 7:00 p.m.

The Torrance Area Youthette baton twirling group has openings for boys and girls of all ages. The classes consist of an hour session of instruction and practice in beginning an advanced baton twirling and drill-marching and letter-building. A unique feature of these classes is the inclusion (at no additional cost) of an extra half-hour of special work in two and three-baton twirling for the advanced twirler. Special events, parades, and other exhibitions are being planned for the group.

Rod White is director and instructor of the well-known HIBA-TEERS twirling corps of Highland Park and manager of the famed Glendale Police Boys Band. He has trained, among others, such outstanding stars as Sharlene J. Bielke, Rod's twirling partner—four-time California state twirling champion and the holder of 32 trophies—Barbara Harper, juvenile champion, and Pam Austin, novice champion.

### Registration Deadline Set by Camino College

September 21, 1951, has been set as the last day to register at El Camino college for the fall semester, according to Merl Sloan, Director of Student Personnel.

An enrollment of 3500 is expected during the two weeks period preceding the deadline. Several trade and industrial classes will register beyond the September 21 deadline, but other exceptions will be limited according to the college official.

### House Guests

Mr. and Mrs. J. A. Beagles of 21337 Archibald avenue, Torrance, are entertaining Mrs. Beagle's brother and wife, Dr. and Mrs. A. R. Adams of Brownsville, Texas, for a few days. Dr. Adams is a retired physician.
