How to make good telephone service even better....

A personal number list helps to **speed your long distance calls**.... Whether it's a birthday call to the folks back home, or an important business call across the nation, you'll save time if you give the operator the out-of-town number you're calling, rather than just the name and address.

That way, you see, you won't have to wait while she gets the number from "Information" in the distant town. And a free personal number booklet... for the local and out-of-town numbers you call most often... is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office... and start your personal number list today.

Have you taken advantage of the lower rates on "station" calls when you call long distance? If you tell the operator you'll speak with anyone who answers at the out-of-town number you're calling, you'll find it can mean important savings for you.

Stellar performers will be featured in the vaudeville show slated for Monday evening, Oct. 27 at Torrance Civic Auditorium.

Sponsored by the Church of the Latter Day Saints, the show will be headlined by Alvino Rey and his Orchestra and the King Sisters of radio and TV fame, according to Bishop Edwin Wheat of the church.

Other top acts include Bud and Jack Averill, Clarence Nast, the original voice of Donald Duck, Elias Stefan, concert pianist and Happy Tripp, whip artists, it was reported.

The show, which will begin at 8 p.m., is to raise funds for furnishings for the new Mormon Church being completed at Cabrillo Ave. and 221st St., according to Mrs. Wilford Newland, general chairman of the event.
