

Red Cross Blood Mobile At Torrance in January

With the Red Cross Blood Bank Mobile Unit due sometime in January, questions and answers about the blood bank and blood donations have been supplied by Mrs. Don Hyde and Mrs. Mel Howard, Blood Recruitment chairmen for the drive.

They are as follows:
Q. Why should anybody be asked to give his or her blood?
A. For the use of Armed Services, for Civilian hospital use and for stock piling for Civilian Defense.

Q. Where are the blood donations taken?
A. Our next community Red Cross Blood bank in January (date to be announced later), Civic Auditorium.

Q. Who takes the blood?
A. Physicians and registered nurses only are prepared to take your blood.

Q. Is any special preparation necessary?
A. Eat your meals as usual the day of your donation and be sure to have nourishment within four hours of the time of your appointment.

Q. How much blood is taken at one time?
A. One pint.

Q. How long does it take?
A. It takes approximately five minutes. The donor is then requested to rest ten or fifteen minutes. Following the taking of blood, donors may go about their business normally.

Q. Who may give these blood donations?
A. Men and women between the ages of 18 to 60 years of age. Young men and women under 21 years of age must have release signed by parent or guardian. Donors must weigh 110 pounds or over.

Q. Is there any pain or discomfort in blood taking?
A. None.

Q. Can I give a second blood donation?
A. Yes, in three months.

Q. Is it necessary to be typed?
A. No.

Q. How can I arrange to give a donation?
A. By telephoning Red Cross headquarters, Torrance 3447 or 3448, or by coming in and signing up at 1754 Torrance boulevard, Torrance, Calif.

Five Named Directors of Rabbit Club

Five persons were named to the board of directors when the Torrance Area Rabbit Club held a combination business meeting and Christmas party in Moose Hall last week.

New board chairman is Mrs. D. C. White. Others named were Mr. Sheets, vice-president; Mrs. L. C. Stringer, publicity chairman; D. C. White and L. C. Strong.

The president of El Camino College, Forrest Murdock, was present and made a short talk on "The Part the College Plays in the Raising of Rabbits."

Edward Hamlon donated a pedigree white New Zealand buck which was raffled off with Mrs. Sally Besanson being the winner.

Mrs. Peters was present from the Spastic Children's Foundation in Los Angeles and showed a film dealing with Cerebral Palsy and explained the treatments given at the Foundation home.

State Stalls On 101 Hiway Traffic Aids

Despite repeated efforts by this city to have traffic at three intersections along Pacific Coast Hiway channelized no further work has been heard from the state.

Recently G. T. McCoy, state highway engineer, announced that plans for the channelization of traffic at Hawthorne blvd., Roberts rd., and Paseo de Gracia have been completed and sent to Sacramento for approval.

City Manager George Stevens said today that the city will continue efforts to hasten the much-needed work. The large-scale development of homes in the area along the highway has increased the traffic to such a degree that an actual hazard exists now, he stated.

State officials have declared that traffic signals at the Roberts rd. and Paseo de Gracia intersections are neither desirable nor justified. Signals already exist at Hawthorne ave.

The channelization would be similar to that installed early this year at the highway intersection with the east end of Newton st. The raised concrete dividers here provide protected lanes for autos making left turns off the busy highway.

Clubs Urged To Visit Blood Bank

The Torrance Branch of American National Red Cross in cooperation with the Los Angeles Chapter announced plans this week to conduct tours through the blood center located at 1200 So. Vermont Ave. Mrs. Don Hyde and Mrs. Mel Howard, local chairmen of the blood program stated that this is being accomplished in an effort to educate many blood donors who have the idea that blood should be given only when emergency appeals are made and not regularly as a humanitarian duty.

Tuesdays has been set aside as visiting days and all local organizations may contact the Red Cross office at Torrance 3447 or Mr. Edward Schottland at DUnkirk 4-5261, Ext. 401, in advance so that the visit can be properly scheduled.

Visitors will be made to understand the importance of blood in our community and the problems Red Cross is facing in its efforts to collect it. Also, said Mrs. Hyde, "It is important for a community that supports the blood program with its funds and blood to know all about that program."

Help raise their supporting funds by serving as a volunteer in the Community Chest campaign. Enroll at 1103 Sartori.

Investment Firm Names Alter to Board

At the regular meeting of the board of directors of Leads, Inc., an investment corporation, held Monday, Dec. 22, at 1435 Marcelina Ave., Gerald L. Alter, Torrance realtor was elected a director and secretary. Fred Hudkins of Long Beach was re-elected president and H. L. Rushfeldt of Torrance was re-elected vice president.

This corporation, dealing mainly in the purchase and sale of real estate and trust deeds has named the Alter Realty & Insurance of Torrance as their agent to represent them in all realty deals, as well as acting consultant on all realty problems.

After a discussion by Alter as to the future prospects of real estate in the Torrance area, the directors unanimously agreed with Alter that this area has unlimited possibilities, and that purchases there should be given priority.

In addition to Leads, Inc., Alter is also director and president of Alter Realty & Insurance and Alter Building Company, and is the retiring vice president and director of the Torrance-Lomita Realty Board.

Spring Carnival Planned by P-TA

The executive board of the 186th Street Parent-Teacher association met at the home of Mrs. Claud Hill, president, on Wednesday, December 10. Lunch was served before the meeting and Christmas gifts were exchanged.

Driving Tips

When passing another vehicle over a single or broken white line you are required to return to your driving lane before the oncoming traffic is within 100 feet of you. Never at any time are you permitted to pass over a double white line.

New Gas Rates Told

New gas rates recently authorized by the Public Utilities Commission will become effective here on January 1, it is learned from L. E. Green, Southern California Gas Co. division manager.

A comparison of the old and new rates, just completed by the company rate department, is shown in the table below. You can determine the approximate increase you can expect in your monthly gas bill by taking the cubic foot usage from your most recent bill and finding the comparable charge on the table:

Cubic Foot	Old Rate	New Rate
Monthly Usage		
1,000	\$1.58	\$1.61
2,000	2.24	2.30
4,000	3.50	3.64
6,000	4.70	4.93
8,000	5.90	6.22
10,000	7.10	7.51
20,000	12.50	13.55
30,000	17.90	19.50
