

Anderson To Speak at Demo Meet

"My Neighbor", an inspirational message delivered by eighth grade student Robert Walker, opened the monthly meeting of the Walteria Elementary School P-TA last Thursday evening.

Two delegates to accompany next year's president, Mrs. Carl Cramer, to the State convention in Long Beach were elected. They are Mrs. Bruce Howey and Mrs. Wesley Crocheron.

The Green Mills Memorial Quartet entertained the group with four songs.

Four Walteria students attending Torrance High discussed the problems faced by freshmen entering high school. Such matters as the choice of classes, clubs, student government, sports, and initiations were touched upon.

Leonard Lifton, freshman advisor, acted as moderator and answered questions put by the audience, as did the participating students. These included: Lois Phelps, Cynthia Jansson, Colleen Gordon, and Vicki Hagan.

God may not pay our debts with money, but He makes it possible so we can have the opportunity to earn it.

THIS MEANS BETTER LIVING FOR YOU

Due to its popularity back east where this service has been offered to the profession only, we are opening an office here in Southern California, offering our professional services to the public for the first time.

It is no longer necessary for you to spend a lot of time, money and suffering to know what your allergies are. By our scientific method, we are able to advise, by using a very unique method we have developed. All you have to do is saturate a small piece of clean white blotter paper with your saliva and send it to us along with \$5.00 in cash or check. No scratching. No waiting in offices and paying high prices. You will receive your report by mail. Each one we receive will be checked against 100 articles which are known to cause trouble. Send sputum sample and cash or check to:
