No Strike While the Santa Monica Douglas workers did not accept the company's offer, they did vote against calling a strike, with the

El Segundo workers voting likewise and accepting the company's offer as well.

The Douglas offer which has been accepted calls for five cents an hour increase across the board for all and three weeks vacation with pay for those employed 15 years or longer.

The union is seeking a general boost of 10 per cent or about 18 cents an hour for all workers.

The union at North American is asking a 26-cent-an-hour wage increase and other benefits totaling 72 cents an hour. North

DEPARTMENT PLANS CLUB FOR ADULTS

A meeting of Torrance's senior citizens will be held at the Torrance Adult Center, 1318 Cravens avenue, Friday, November 6, at 4 p.m. The purpose of the meeting will be to discuss the formation of a club for the adults interested in the activities of the center on Cravens avenue, and there will be a selection of a committee to draw up a constitution. Also there will be a discussion of the name of the club, the purpose of the club, membership rules, necessary officers and committees, meeting dates, by-laws and so forth.

All adults interested in the center or in club activities are urged to attend.

Activities

Some of the activities that the club may take on as soon as the organization is completed are: travel talks with films and speakers, shuffleboard tournaments, horseshoe tournaments, teas for the ladies, card parties, square dancing, and community sings.

The Adult Center has had a colorful history in the short time since it was built in 1952. It burned down shortly after being opened and was rebuilt again in 1952. There have been local and county-wide tournaments held on the shuffleboard courts, and many of the "old-timers" around Torrance can

be found enjoying themselves there almost any time of the day or night.

Hours

The center is open to adults on week days from 9 a.m. until 10 p.m., Saturdays 10 a.m. to 6 p.m., and Sundays 12 noon to 6 p.m.

The City of Torrance employs two directors for the center, Mrs. Ann Hight, and Robert J. Little, known by everyone as "Scotty."

Mrs. Hight is the wife of Guy R. Hight, head custodian of the municipal buildings for the City of Torrance. Mrs. Hight came to work for the Torrance Recreation Department at the Adult Center in October, 1952, and has been working there ever since. Mr. and Mrs. Hight have four children, eight grandchildren, and one great-grandchild.

Robert J. Little was born in Edinburgh, Scotland, 73 years ago. He went to the College of Science at Thumberland, England, and later graduated as a mining engineer. "Scotty" entered the ministry at the age of 22, and graduated from the Independence Fundamentalist Ministerial association of Chicago after five years of study. He was the first director to work at the Adult Center, having been hired for the job in August, 1952. He was a leading semi-pro soccer player in England, having been the captain of a championship team for 15 years. In his church work he has taught fencing, swimming, boxing, and wrestling.
