

Advice Given For Runaway Automobiles

Runaway horses are a rare hazard in contemporary city life. Runaway automobiles are not so rare.

To help make sure that your car stays parked the next time you park it, the National Automobile club passes along a few important tips.

Before leaving your car parked on level ground, see that the hand brake is on and firmly set. Other cars, in parking, can shove your car around and possibly shove it in front of a fire hydrant or into some other no parking zone.

Before leaving your car on a hill, see that the hand brake is on and is firmly set. Add substantially to the hand brake's braking power, and make a double check against danger, by leaving your car in low gear or reverse gear. Always, of course, have your front

Award Contract For Demolition Of Buildings

Award of contract by the county housing authority for destruction of all the buildings at the Alondra Park housing project was authorized this week by the county board of supervisors.

Work of demolishing the buildings, foundations and curbs and pavement is expected to be completed in 45 days.

Supervisor Kenneth Hahn pointed out that the units were erected on county-owned property in 1945 to provide veterans with a place to live and to help them get "a start in life."

wheels blocked securely against the curb, turning them in towards it if your car is facing downhill, sharply out from it if your car is facing uphill.

"These may seem like little precautions, but they may prevent much damage of property and possibly much loss of life."

OREGON

No valid explanation has ever been offered for the origin of the name Oregon, according to the National Automobile club.

SPEED

Excessive speed was the principal cause of traffic accidents in the United States during 1954, reports the National Automobile club.

Honored

Mrs. Jack Knott was in charge of the luncheon held recently at 135th Street school by members of the P-TA honoring faculty, office staff, school nurse, and custodians.

Assisting with serving were Mrs. Frank Andrews, Chester Ringwood, Homer Doman, and Robert Stern.

Mrs. Ruth Forrest, kindergarten teacher, was given a money corsage for her inconvenience during the year when the P-TA used her room.

40 Boys Return From Overnight YMCA Camp Trip

Overnight camping trip to the Chilao Flats camp ground in the Angeles National Forest kept the 40 boys enrolled in the YMCA day camp busy last week.

Winners of the nature scavenger hunt were Jimmy Cox and Bobby Melville who were able to find the items in 31 minutes.

Transportation was by trucks. Bob Felder and Darrell Scott of the YMCA staff directed the outing, assisted by Larry Turner, Ronnie Park, Raul Canas, Albert Oglesby, and Bruce Christopher.
