Northern League Champs Defeat Southerners, 10-4

The boys that compose the Torrance Stars got together again last Tuesday evening, August 9, to defeat the Central All Star Team, 10 to 4.

The Torrance Stars are made up of 9 boys from the Northern (McMasters) Division and 6 from the Southern (Walteria) Division.

Ernie Iwata was the starter for the Stars, but gave way to Garry Little after 3 innings with the Central All Stars leading the Stars by a score of 3 to 2. Little struck out 6 in the 4 remaining innings to allow only 1 more run and record a victory for himself.

Rick Jacobs and Bob Hunt both slammed out 2 hits for 3 times at bat with Hunt driv-

ing in 4 runs with a single and a double.

Bill Williams stood out for the losers with a long double and a single to score one and drive in another of the 4 All Star runs. Dennis Epefano was charged with the loss. The totals were for Central Torrance All Stars, 4 runs, 5 hits, and 3 errors. And for the Stars, it was 10 runs on 9 hits and 1 error.

Unlike an oil refinery's million-barrel storage capacity in many large tanks and reservoirs, Torrance's Shell Chemical plant has many small tanks: 168 tanks and other vessels have a total capacity of 36,772 barrels.
