

### Alice Haworth Initiates New Co-Ed Policy

Not since 1929 has California State Polytechnic College had a women's physical education instructor but it has one now. Mrs. Alice Haworth, head of women's physical education at Torrance high school, has been appointed a health and physical education instructor at Cal Poly, the west's largest agricultural and third largest engineering school and which for the past twenty-six years has been strictly all-male.

Three cafeterias at the Shell Chemical Corp. Torrance plant serve more than 600 meals each day.

### Variety Show Is Big Success On Sunday

By Violet Whittington  
The Torrance Recreation department presents one of its greatest summer shows on Sunday, August 14, in the bandshell of Torrance park. The "Stars Over Torrance" troupe offered an entertaining and varied program to the hundreds of picnickers at the park.

Featured in the show were the "Rhythm Kings," sensational teen-age band, who played "Sincerely," "Learnin' the Blues," and "Heart." Barbara Davis and Jean Hill sang and played guitars to the tunes of "Rock Around the Clock," and "E

Boogie." Carl Stimach and Mickey Turner, accordionists, impressed the audience with their flying fingers. Dancers who did an outstanding performance were: Carolyn Wenzel and Richard French, Sally Bridgeman, Linda Gibson, Mary Smithart, Raylene Horne, and Ronnie Montelius. Vocalists, including Deanna Shriver, Dianne Powers, and Karen Brunel, added the final professional touch to the show, along with David French, who did a clever little acrobat routine.

Louis Bereskin, director of drama at the Recreation department, acted as emcee of the program, while Mickey Van Deventer accompanied various numbers.

The audience was greatly impressed with the City's local talent, which was almost professional in quality.
