

Fund Raising Study Planned

With Chairman Marvin Nielsen presiding, and fifteen members present, the committee for Harbor City Cub Scout Pack 743C held its monthly meeting recently.

An investigating committee of six was appointed for a future fund-raising project.

A "Uniform Bank" was set up to provide clubs with various articles of clothing needed at no cost to the boys. Any part of a uniform to be disposed of, that is in good condition, will be turned in to Fred May, personnel chairman, who will be in charge.

Reports by various chairmen were given, and new members Carol Mankhey and Paul Anderson were welcomed.

All past Den Mothers are expected to be on hand for the September pack meeting for a special presentation. The meetings are open to eligible boys, who wish to become Cub Scouts, and their parents. It will begin at 7:30 p.m. Thursday, September 22 at the Harbor City school auditorium.

Clark Markets To Hold September Dollar Days

Clark market officials today stated that their greatest money-saving food sale of the year gets underway today and will continue for four days until the close of business on Sunday, September 18 at 10 p.m.

Hundreds of fine grocery items will go on sale in multiples of one dollar at record breaking prices. Likewise, outstanding values will be offered in fresh meats and produce, delicatessen foods and all other departments of the seven Clark supermarkets.

The impressive sale, as advertised in today's paper, fills four complete pages . . . each page jam-packed with food bargains.

Clark officials stated that their September Dollar Days Food Sale will offer new pack merchandise that was bought in straight carload lots during the past few weeks and will afford an excellent opportunity for the many thousands of Clark customers to save many, many dollars by stocking up now at the lowest prices in years.
