Bees Best Monarchs In Initial Victory

Two touchdowns and a conversion in the first half were all the Saxonbees needed to down Morningside's Bees 13-7 last week on the loser's field.

Ernie Thompson, tailback, threw passes for two touchdowns and a conversion to pace coach Del Nuzum's proteges for the win over the Monarchs, and their initial victory in four games.

CLUBS SAY SACKET IS TERRIFIC

Representatives of nine local organizations voiced their approval of a new game called Sacket, following the showing of a movie demonstrating the game, and actual participation by the representatives in an exhibition staged in the new Torrance Recreation Center National Guard Armory, department, according to Elmer "Red" Moon, city athletic director.

Moon further stated that the interest shown indicated that a league could be successfully operated just as soon as the teams become oriented to the rules and methods of play.

To attain this end interested teams will be scheduled to play on Wednesday nights until all teams have had an opportunity to become reasonably proficient in playing the game.

Organizations represented at the meeting were: Junior Chamber of Commerce, National Legion of Commerce, National Moose club, American Legion, Lion's club, City Workers Union local 1135, and the Torrance Church of Latter Day Saints.

Any interested organizations may contact Moon at FAirfax 8-4108, or at the Armory, 2505 Cabrillo avenue any Wednesday evening between 7 and 9 p.m. for further information.

Chuck Richardson, wingback, was the receiver on both of the tallies; an 11-yard pass in the first quarter; and a 16-yarder in the second stanza. Left end Bruce Stinger was the taker for Thompson's pass to account for the extra point.

The Monarchs got their six pointer in the second quarter, and success fully converted making the final score 13-7 after both teams played scoreless ball in the second half.

Since this was their first victory, the Saxonbees now sport an overall record of 1-3, and a league standing of 1-0.

Today the Saxonbees encounter Hawthorne at Torrance High's field.

CC Squads Split With Centaurs

Culver City's competent Centaur Cross-Country cluster conquered the Saxon varsity thinclads 24-36 (low score wins) last Friday on their mile and eight-tenths course.

Gerald Rowe had the best North time of 9:24. Bill Bruton ran second in 9:59, while Paul Chandler, Dave Scott, and Ken Purviance were clocked at 10:01, 10:03, and 10:18, as they finished third, fourth, and fifth respectively.

Monarchs Shut Out Saxons

Morningside dumped the Saxons varsity grid team 39-0 last Friday night in their initial Pioneer League encounter on the Torrance high field.

The Monarch overpowered the Saxons with basic "T" formation plays, and handed them their fourth straight loss.

Monarch's Punt After leading 39-0 at the beginning of the fourth quarter, the Monarch footballers added insult to injury by punting on first down every time they had possession of the ball in order to give their defensive unit a "workout."

The contest was "nip and tuck" in the first quarter, neither team scoring. However the Monarchs broke loose with a twenty point scoring spree in the second stanza, and nineteen more in the third period while holding the Saxons scoreless.

Scoring Column Tallying points for Morningside were Bob Clark, fullback (pitchout from quarterback), Don Hodge (19 yard run), Gary Hunt, right half (19 yard pass from Hodge), Bob Straviski (1 yard plunge), Guy Mondt (55 yard look-in pass from Hodge), Glen Kezar, fullback (20 yards on a pitchout) and Hodge (16 yards on a quarterback keeper play). Conversions were made by Kezar on two line plunges and a pass from Hodge to Mondt.

Saxons Shine Ray Grieshaber was running and passing well for the Saxons, although he overshot a lot of his receivers. Paul Carrico, Jim Powers and Bob J. Turner were also running well. Bill Reeves was outstanding on defense.

Tomorrow night the Saxons meet Hawthorne for their second league game at Leuzinger High's field.

Centaur Cindersmen 19-36, as Mike Clark galloped across the finish line in 10:04 for first place, second was Gary Martin in 10:24. Following Martin were Barton Davidson, third, in 10:33, Jim Wammeneude in fourth place with a time of 10:43, and Richard Komonyi, fifth, with a 10:54 performance.

Coach Willard Morgan's charges have won three meets, one varsity and two JV, making their records; varsity, 1-5; JV, 2-4. These disappointing standings are accredited to the lack of experienced runners.

Youngsters interested in joining the "T-Timers," a car club sponsored by the local Elks club, should attend the first meeting of the group scheduled for Tuesday night, November 15, at 7:30 p.m. in the club hall above the bowling alley next to the Palms restaurant, on Carson near Cravens, according to Frank Burk, youth activity chairman.

The T-Timers are dedicated to safety and promotion of better driving on public streets, Burk stated. He said the club will try to obtain a workshop and garage facilities where youngsters can work on their own cars or build a club car.

Youngsters from 16 years of age and up are eligible to join. Hal Hill, Southern California District representative, will appear at the meeting to discuss club cards, plaques, sweaters, and explain the program.

The Torrance Recreation Department announced this week that starting on November 1, the boy's gymnasium at Torrance high school will be open for adult basketball team practice, in preparation for City League play, slated to start on January 3, 1956.

The gymnasium is scheduled to be open each Tuesday and Wednesday, between the hours of 7 p.m. and 9:30 p.m. and all team managers, sponsors or players desiring to participate are urged to contact or notify Elmer "Red" Moon, city athletic director, at the recreation office, FAirfax 8-4108. They may also register with the director in charge at the gymnasium, during the hours and days noted above.

George Holland of Wilmington was released to a private physician and Erik M. Berg was taken to Harbor General hospital.

Cars driven by Berg and Maurice T. Hartzfeld, 45, of Wilmington, were involved in the collision.

A two-car crash Friday afternoon resulted in injuries to two persons, according to police. The collision occurred at Calle Mayor and Pacific Coast highway.

THS Varsity Loses To Inglewood

A good defense by Inglewood and loss of 115 yards through penalties cost the THS varsity squad the opening league game by a score of 13-7 Friday night.

Added to this year's list of casualties was Bill Meacham, quarterback, bringing the number of players the Tartars have lost to four.

Until the third period of the game, the score stood 0-0, then the Sentinels snagged a fumble on the Torrance 30 yard line.

In six plays, Inglewood moved the ball over the line and Pedigo went for the extra point.

Another run by Pedigo, this time for 27 yards, and one by Jacobs, for 17 yards in the fourth quarter, resulted in Inglewood's final score.

The Tartars rallied at the end of the fourth when halfback Bertolet passed a long one to Tom Ito on Inglewood's nine yard line.

Four more plays and the Tar-

tars scored bringing the total to 13-7 at the final gun.

Tartars will encounter Leuzinger here at 8 p.m. Friday night.

THS BEES STOMP INGLEWOOD 19-14

In their second league game of the season, the Torrance high B team stomped Inglewood to the tune of 19-14.

For the first quarter and most of the second, the teams just moved the ball up and down the field.

Then QB Mick Babbit flipped a long pass to Bob Grajeda who carried the pigskin over for the Tartar's first touchdown.

Graveda missed the extra point, however.

The third quarter had just started when Grajeda caught another pass from Babbit to make his second touchdown of the game.

Inglewood now countered with two quick touchdowns, one by left half Olexiwicz and the other by fullback Dick Wilson. Both conversions scored, Inglewood now leading 14-13.

Toward the end of the game, quarterback Babbit sailed a 20 yard pass to Joe Rubeo who ran it to the 20 yard line from the 40.

Babbit took to the air again with a pass to Bobby Grejeda who ran the ball over for a final score of 19-14 in favor of Torrance.

WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

Housewife rates her telephone "tops"

"Of all my household items," says Mrs. F. G. Dominey, "I think my telephone is the most useful. I can't count all the ways I depend on it. For example, I do a lot of my shopping by phone. Then there are the calls for repairmen, to make appointments, to round up my youngsters in the neighborhood, and for a hundred and one other things. And that doesn't include all the pleasure our phone brings us... as a fast, easy way to visit friends and relatives. I certainly don't know what we'd do without it." Most people we've talked to agree with Mrs. Dominey about the usefulness of the telephone. Isn't it true that few things which serve so well cost so little? Pacific Telephone works to make your telephone a bigger value every day.

Enjoy a family visit in several cities at once by long distance

Did you know you can actually talk to several members of your family at the same time by long distance? Well, you can, even if they're scattered all over the country. Each of you can talk back and forth to the rest as if you were all in the same room. We call this a telephone conference call. To place one, just tell your operator the people you want to talk to, where they live, their phone numbers, and when you want to talk. She'll do the rest. You'll be pleasantly surprised at how little it costs, especially if you call after 6 p. m. in the evening or any time Sunday. Why not give your whole family a real surprise with a conference call tonight?
