Directors Reelected

Four incumbents were re-elected to the board of directors of the Chamber of Commerce, it was announced this week.

They are: Dean L. Sears, Donald Armstrong, John A. Edginghouse, and Darwin D. Parish.

Five additional directors representing geographical areas of Torrance who will serve one year terms and one additional director for a three-year term will be selected by directors, according to Paul Loranger, president.

Moose Set Stations For 'Operation Santa Claus'

There will be seven collection depots in the Torrance area for the deposit of toys for needy children in the Moose "Operation Santa Claus" campaign to make this a "Toysful" Christmas for all boys and girls in this area.

Collection containers will be placed at various locations, with the cooperation of the merchants concerned, according to Richard Hobbs, chairman of the Torrance Moose civic affairs committee.

The locations are: Jenkins Bakery, 24114 Narbonne, Lomita; National Home Appliance, 1267 Sartori, Torrance; J. J. Newberry 5 & 10, 1275 Sartori, Torrance; Torrance Hardware, 1513 Cabrillo, Torrance; Le Roy Cleaners; 2060 West Carson, Torrance; Niles Cafe, Carson and Western, Torrance; and Jim Dandy market, Crenshaw and Torrance boulevards.

Torrance Moose lodge is cooperating with all Moose lodges in the United States, Canada and Alaska in this "Toys for Needy Children" campaign. It is not necessary that all toys be new, but in the case of used toys, they must be undamaged and in workable and presentable condition, said Hobbs.

We regret that time will not permit the repair or rejuvenation of used toys," he said, "so, therefore, the used toys donated must be in good condition."

The Moose committee will obtain a list of needy children in this area, residing in their own homes, in orphanages or hospitals, from local welfare agencies and officials. Then, on Christmas Eve, the Moose will deliver all the toys collected. All residents of the Torrance area are urged to help make this campaign a huge success.

Dump Site Approved

Approval of a zone exception that would allow a public dump in the Rolling Hills areas was granted by the County Regional Planning Commission Tuesday.

The recommendation can be appealed to the Board of Supervisors within 15 days after notification.

Six county sanitation districts favored the dump site. A total of 1600 residents objected to it.

disgrace in being satisfied about it."

Hill stated that the value of

playing football is not so much the game itself. Rather, it is the attitude which it develops, an attitude which is important in meeting the challenges of life itself.

The greatest lesson athletics can teach a youth is to "get the heart to fight, the will to win, the ability to lose, and the heart to fight again," Hill concluded.
