Try the V-8 that smashed
30 world records
in one day!

Discover what happened at
the thrilling Kingman, Arizona
performance run! Try this Ford yourself... for
pick-up... for passing... for hill-leveling!
You'll love what you experience!

Photographed at world's most modern test track—Ford's new desert proving grounds at Kingman, Arizona.

It's the 225-h.p. Thunderbird Special V-8 you can have now in Ford!

At 6 p. m. on Saturday, February 25, a '56 Ford set out to re-write the record book for performance at the new Ford Proving Grounds in Kingman, Arizona. Just a little over one hour later, this 225-h.p. Ford had done it. It had set 30 new world marks—ranging from short runs to 100-mile performance! To you this record-breaking performance promises the most exciting response ever delivered for so little money. Hills you've long known will disappear. Stop lights will be fast fading memories within instants after your foot nudges the throttle to GO. And when it comes to passing, you'll pass in a wink with plenty of "whoosh" in reserve... you'll know you're safer. You'll get this power from the world's largest-selling V-8, the world's most experienced V-8, the world's most thrilling V-8.

Thunderbird looks, too

But you get more than record-breaking performance when you drive a Ford V-8. You get

the long, low look of the Ford Thunderbird. It's the kind of sleek, years-ahead styling for which Ford is famous.

Let Lifeguard Design Start Protecting You

And, of course, you get Ford's exclusive Lifeguard Design. Among all cars in the low-price field, only Ford gives you this extra protection. Doesn't your family deserve this extra safety in the event of an accident?

More real economy, real stand-up

So whether you judge a car on performance... or safety... or styling, it's easy to see that your best buy is a Ford V-8. And as an added benefit, you get the economical upkeep and built-in value that are part of the Ford tradition. So... come in today, won't you? Slide behind the wheel of this 225-h.p. Ford that set 30 world performance records! Take it out on the road

... and let it whisk you from "whoa" to GO as you've never gone before! When you return you'll understand why Ford is the V-8 with the world's biggest following.

The GO is great in a

Contract...

(Continued From Page 1)

Douglas Long Beach, Tucson, and Tulsa plants last Sunday.

The new contract provides substantial wage increases, a company paid pension plan, and other major benefits.

Under provisions of the contract, the best ever offered Douglas workers, it will be possible for long-service employees to retire with a monthly income up to \$286 including social security.

The offer grants wage increases ranging from 7 cents to 15 cents for factory workers and from 7 cents to 17 cents for technical and office employees.

It increases the bonus for second shift employees from the present 8 cents to 12 cents an hour, raises rates for various job classifications, and adds other benefits.

Included among the latter are three weeks of paid vacation after 12 years of service, company pay for time spent on jury duty, and the pension plan.

The contract is for a 2-year term with expiration on March 31, 1958. It calls for an additional 7 cents per hour increase at the beginning of the second year, in addition to the other increases.

Negotiations included IAM General Vice-President Roy M. Brown; James J. Mayer, industrial relations director for the Douglas company; and J. Curtis Counts, chief negotiator.

Diamonds...

(Continued from Page 1)

the sludge. The Norton company of Worcester, Massachusetts, manufacturers of diamond wheels, said they could develop a process to reclaim the diamonds.

The test period lasted two months. When a sufficient amount of sludge was available, it was placed in a flannel bag and dried out in an oven to reduce the shipping weight.

When the check arrived from Norton, it was obvious that O'Hare's suggestion was a success. As a result of his efforts, the number of reclaimed diamond chips is expected to increase far beyond what was originally expected.

Election...

(Continued From Page 1)

28 and May 11 voters may apply in writing to the L. A. County Superintendent of Schools, 808 North Hill st., for "Absent Voter Ballots."

These applications must be signed by the voter in his own handwriting and include the reason for absence from the polls on election day, applicant's signature, name and home address, and address to which the ballot should be sent, election officials announced.

A simple form of application is available at the Torrance Board of Education.

Association...

(Continued from Page 2)

the City Council. The main ones are as follows:

1. Work as a unified city and in cooperation with neighboring communities in solving the complex and costly problems of flood control in all sections of Torrance.
2. Prevent the clique which controlled the city eight years ago from doing so again.
3. Keep our City Council representative of the entire city—not just the central section.
4. Increase our recreational facilities and lessen juvenile delinquency.
5. Maintain and improve our police and fire departments in equipment and morale through serious, honest, and sincere consideration of their problems.
