

### FOREIGN OFFICIALS TO VISIT

The Federal Government has selected the U.S.C. School of Public Administration as a training center for the officials of foreign countries participating in the Technical Aid Program. The purpose of the program is to prepare the officials of foreign lands for the increasing responsibilities of self-government.

Torrance has been selected for its outstanding administration, planning, rapid industrial and residential growth and the problems of engineering and oil fields. On Friday, May 4, 1956, the city will be visited for lunch by four officials. Two are from the faculty of the Institute of Administrative Affairs, Teheran, Iran; one is from the staff of the United Nations and the other is professor of political science, American University, Beirut, Lebanon. Professor Frank Sherwood of U.S.C. will accompany them on a tour of Torrance.

OPEN TODAY, SUN. 12 TO 6 P. M.—MON., WED., FRI. 9 TO 9—DAILY 9-6 P. M.

### Community Fair Plans Announced

Service clubs of Torrance met Wednesday night at the Chamber of Commerce building to hear final plans for the third annual Torrance Community Fair. The fair will be held June 13 through 17 at the National Guard Armory on Cabrillo.

This year's Fair will again be sponsored by the Torrance Junior Chamber of Commerce with the aid of Kraft Shows.

Elliott Nohr, Fair chairman, announced that the drawing prize for this year's lucky ticket holder will be a 1956 Ford hardtop convertible (equipped).

Tickets were distributed to the various clubs last night to be sold to the public in the coming weeks.

A new policy has been established whereby tickets will be sold for the drawing and will in no way effect the judging of a Queen.

Any club may sponsor a queen candidate, if desired, to be chosen as Miss Torrance Community Fair. The basis of this contest will be beauty, poise and personality, John Mangan reported.

Any club not represented at the Fair meeting may obtain tickets by calling Chairman Elliott Nohr, Fairfax 8-6329.
