Troop 209 to Sell Bird Houses to Buy Equipment

Scout committee of Troop 209, Nativity Catholic church, has been actively engaged for the past several months with their first major project.

In an effort to secure camping equipment for their boys, they have been building attractive and unusual bird houses, in the work shop of one of their members.

These are now completed, and are being offered to the public at a very nominal cost, Robert Noone reported.

White, with flaming red roofs, these bird havens should be a decorative addition to every homegarden, Noone said.

They may be secured by calling FA. 8-1837 any evening.

Those who were responsible for the completion of the project are: Bob Allred, Tom Farrell, Sam Battaglia, Regis Jones, and Robert Noone.

Troop 209, under the leadership of Scoutmaster Bob Wertz and assistant Scoutmasters Jay Venezia, and Bob Gray has an ambitious schedule planned for the coming summer months.

Week-end hikes, cook-outs, and swimming parties, climaxed

by a six-day mountain adventure will add zest to an already busy calendar, Noone reported.

The Troop noted with regret the retirement of its hard-working chairman, Bob Allred.

Under his office the Troop has progressed to a high point in Scout efficiency, Noone said.

Accompanying the girls were Miss Doris Avis and Miss Joan Woottose.

ARE YOU KIDDING

DO YOU MEAN Paul's Chevrolet really wants our old car? Gosh, Dad, it's hard to believe that we can get such a terrific trade-in deal on a new Chevrolet. But seeing is believing. The people at Paul's are going all out to round up those out-moded cars. And the brilliant '56 Chevrolet makes almost every car old fashioned.

Dad says there's no need to spend time and money looking all over for a higher trade-in price. Paul's needs and wants used cars and they'll pay the top dollar to get them.

Paul's can afford to give you more. They don't spend lots of money on high priced TV ads. And they own their own servicing equipment. Naturally, lower overhead means lower prices and higher trade allowances.

Then, too, Paul's is a local firm. You get the best deal along with the personal service and extra attention that only a neighborhood dealer will give you. You deal with friends and you'll love the friendly atmosphere at Paul's.

Remember, when you shop at your local Chevrolet dealer, you're building hometown payrolls... you're contributing to local progress.

And Paul's stays open until 9 p.m. Monday through Friday, Saturday until 6 p.m. So you can shop at your convenience. Of course, they're closed on Sundays so his men can attend church of their choice and spend some time with their families.

I'm not kidding when I tell you that it's smart... it's thrifty... and it's right... to shop at Paul's, your local Chevrolet dealer.
