**NH ATHLETES HONORED
AT SPRING BANQUET**

North high's spring lettermen and their dads attended the initial Spring Sports Awards banquet last week at the Western Club cafe in Gardena where almost 70 Saxons received letters from four North coaches.

After a delicious rib steak meal, the award presentation got under way with golf mentor Bill Wood handing out block N's to six North linksmen, Bill Wilson, Dave Scott, Steve Crowell (captain), Richard Komoniyi, Nick Urban, Gary Little.

Lettering Spikemen
Coach Willard Morgan allotted monograms to 32 thinclads in the track awards. Letter winners included these Saxons: VARSITY Jim Bald, Dave Campbell (captain), Paul Carico, Paul Chandler, Gene Daimler, Lionel Gillespie, Gerald Rowe, Bob Walker.

Varsity Horsehidiers
The awards ceremony was well under way when Del Nuzum distributed varsity baseball letters to the following athletes:

Ron Anderson, Ell Bartleson, Steve Beckett, (captain), Don Bolde, Allan Bledsoe, Stan Fittinger, George Foutts, Ray Grieshaber, Evan Harris, Ken Simpson, Ernie Thomsen, Tony Treece, Ron Wyley.

Also receiving block N's were managers Dean Worrell, Gage Enoch, Harvey Jinks, Phil Johnston, Bob Merry and Mick Schneider.

Stanich Speaker
Present basketball coach at El Camino Junior College George Stanich was guest speaker. Since this is an Olympic year he discussed the manner in which an athlete could become a part of an Olympic team. Second in the high jump in the 1952 Olympics, George attended UCLA where he lettered in track, baseball, and basketball. He turned pro as a baseballer and was also an instructor at Torrance High School.

Blanket Awards
The track and baseball All-

American blanket award was one of the banquet's highlights. Gene Daimler in track and Ron Anderson in baseball were the selections.
The big event of the father and son get-together, however, was the announcement of the first Athlete of the Year for the school of the Saxons. Ron Anderson, competing with five other senior athletes, was the lucky winner.

PARENTS!

Good eyesight is a "must" in the formative years. Yet, younger children are not aware of faulty vision. Only scientific testing can accurately measure a child's ability to see. Be on the safe side! Bring the youngsters in for a vision check-up. If glasses are not needed, we will tell you. Come in soon... Enjoy the peace of mind that comes from knowing your children are free from the handicap of imperfect vision!
