

OK, HONEY!
 It is! It's the same chair we were looking at
 at the Furniture Store and they
 asked \$59 for it! Universal Furniture is asking
 \$28.66! — and look at that table for only
 \$17! Why that other store
 marked over \$17! If
 you're looking for the kind of bargains
 that are available at Universal, we
 know where we're going to
 get our furniture from
