COFFEE AND SNACKS

Come in, have a cup of coffee and see the new Sunbeam Hair Dryer demonstrated

This FRIDAY, MARCH 15

Now! Enjoy the faster, more comfortable, NEW way to dry hair

the NEW **Lady Sunbeam** \$1.00 Weekly

CONTROLLED HEAT HAIR DRYER

Now you can enjoy the full beauty of lovely, radiant hair more often! The Lady Sunbeam dries your hair faster by actual test, and is so gentle. Your hands are left free. Available in pink, turquoise, and yellow.

Twice as Fast—By Actual Test

The Sunbeam was tested along with all other major types by leading independent home economics counsellors. Tests showed the Sunbeam was 38% faster than the average of all other dryers tested, including a professional model! Test participants picked the Sunbeam 5 to 1.

More Comfortable... Fan forced air from the heat control unit is scientifically concentrated on your hair... wands direct comfort of heat on face, neck, shoulders.

View below shows how holes are spaced in the inner pocket to concentrate warm air where hair is thickest.

Air hoses over scalp carrying moisture to the scalp opening in front.

An inner pocket of warm, dry air is concentrated on the back of the head where hair is heaviest.

Air from heat control unit enters drying cap here. Cap has no electric wires.

Open, moist air is directed away from the face.

Heat control unit warms air—distributes heat on ducted temperature—hot, warm, medium, cool.
