

# YOU BUY FOODS BY THE CART-FULL — NOT BY THE HANDFULL

So save money the same way! Shop where you get a cartful of low prices — not a handful of them. Shop at FOODS CO., where every item is low priced every day. You'll save for sure because more low prices mean smaller food bills and bigger savings for you. If you have a food list as long as your arm and a budget that's always a "little short" — FOODS CO. is the place to make both ends meet.
