Board Acts To Get 4th High School

Authorization to acquire a high school site was approved by the Board of Education. Intention to acquire the site at Henrietta and Del Amo was announced in the light of increasing enrollment. Total number of high school students within about six years will be above 7000 without considering any factor except existing elementary enrollments, officials pointed out.

The proposed West High school will be about 40 acres. Funds to purchase the site will not be available until bonds are sold in October or November.

Freeways Topic of Discussion

Freeways will be the topic of discussion, illustrated with slides, at a public meeting of the Carson Civic Betterment assn. to be held at the Stephen M. White Junior High school, 220th st. and Figueroa st., Monday, June 3, at 8 p.m.

L. W. Larson and J. LaBrie of the State Highway division will address the group and answer questions. Councilman Nick Draie and Ernest T. Winters, chief field deputy to Supervisor Burton W. Chace, have indicated that they will be present.
