

## Recreation Plans Topic At Breakfast

Robert Gold of Kroeger and Associates will be the featured speaker at the monthly membership breakfast of the Torrance Chamber of Commerce Tuesday, June 18, at 7:30 a.m. It was announced today by Co-Chairmen Milton Hunter and Jack Phillips.

Gold will report on the survey made by his firm on recreation and park facilities in the city of Torrance, Hunter said. Preliminary reports are that a bond issue of some five million dollars might be asked when the report is completely re-examined by the City Recreation Commission headed by Herma Tillim. The report is already "under fire" from some official city sources as not being "accurate."

Another record turnout is expected to hear Gold and to ask questions on this vital subject. Co-Chairman Phillips stated that this breakfast is another in the series that the Chamber is sponsoring to bring information "first hand" to its members and the community.

Since this policy of presenting current event programs was instituted, each meeting has been a well attended one, Phillips said.

## KIDS TAKE OFF FOR MOON

Free trips to the moon will be available to local children Wednesday, June 12, when Frankie Luer brings his huge space ship to the Foods Co. market at 17500 S. Crenshaw. The ship will operate from 12 noon-6:45 p.m.

## Trip To Moon Offered Kids At Foods Co. Wednesday

Local children will be treated to free trips to the moon Wednesday, June 12, when Frankie Luer brings his huge space ship to the Foods Co. Market at 17500 S. Crenshaw. Free trips in the rocket ship will be available from 12 noon-6:45 p.m.

Built by Luer Packing co. to entertain their young friend, Frankie Luer's Space ship is an authentic 60 foot replica of the giant interplanetary ship of the future.

Inside its metal hull, the space ship contains a comfortable 34-seat auditorium where children are seated for their 7-minute trip to the moon. During their trip the young space travelers experience all the thrills of supersonic flight, from

the first surge of power as the ship blasts off to the final bump as it lands again.

Technically, the Luer Space Ship is a mechanical and electronic wonder. The full color animated film of the trip is projected onto the front 'view plate' by means of a lens device that resembles a periscope. This allows a projection space of a few feet to accomplish the same thing as a huge auditorium projection room, and adds realism to the film.

Vibrators mounted in the tail of the ship give the illusion of flight with both sound and vibration. Other unique devices on the Luer Space Ship record altitude and flight time in a series of lights that can be seen by the passengers.

## Little League Executive Boards Meet

The executive boards of the Torrance National Little League Men's organization and the Women's Auxiliary met May 28 at the home of Mr. and Mrs. John Marshall, 1731 Date ave.

Fireworks sales are planned for the last of June. Plans were also made for a dance at the Riviera club July 6. The committee taking care of all arrangements are Mr. and Mrs. Al Whelan, Mrs. Pat Malone and William Turrentine.

Present were Messrs. and Meses. Gordon Smith, Melvin Wilson, Vernon Coll, Al Whelan, John Marshall, William Turrentine, Melvin Miller, Jack Bynum; Meses. Bob Waters, Pete White; and Messrs. Lorimer Patrick, George Cambon, John O'Neill, William Hartley, Bob Sonju, Don Fulton and Pat Malone.

## Furniture Store Joins Group of 40

Torrance Furniture co. has been named one of the charter member stores of California Living Stores—a group of 40 progressive furniture stores who have joined together to increase their buying power and thus be able to pass additional savings on to their customers.

So stated Leonard Mills of the local store. Membership is limited to

Southern California dealers with only one store permitted membership in each shopping area.

California Living Stores is the largest group of furniture and appliance stores in Southern California, Mills said, and will offer special purchase sales several times throughout the year.

Each member store was carefully investigated by the organizing committee to insure the buying public that each store was outstanding in reputation and reliability in the area served.

## Congratulations

CLASS OF '57

TORRANCE HIGH

NORTH HIGH

The residents of Torrance are proud of you, the graduating class of '57. In any community it is the youth that gives it its glow of life. We are a progressive city, whose students mean a great deal to us. We hope the future will hold many blessings and opportunities for you. We further hope that Torrance will always remain your home. . . for our city's growth depends on people who have grown up here. . . who knows its problems and who can actively participate in civic affairs. Again, congratulations and good luck.
