## Major Improvements for Alondra Park Approved

Approval of final plans and specifications for major improvements designed to make Alondra park one of the finest regional recreational facilities in the southwest section of Los Angeles County, was announced today by Supervisor Kenneth Hahn.

Construction bids for this project, which includes a new bathhouse and other improvements in the vicinity of the swimming pool and lake, will be opened by the Board of Supervisors on October 2, Supervisor Hahn said.

He pointed out that this work is the second phase of the major park development program for the south end of the park, the first phase having been completed last spring.

Just recently the first phase of long range plans to improve the northwest portion of the park were completed with the construction of two new softball fields, baseball diamond, landscaping, and general development.

All of the improvements at Alondra park are being carried out in accordance with Supervisor Hahn's belief in the importance of providing adequate recreational facilities for the use and enjoyment of the public, and as a deterrent to juvenile delinquency.

The project was carefully worked out in order that the park could provide the maximum use for the pleasure and enjoyment of the public.

In addition to the new bathhouse of approximately 1500 square feet, the project will include construction of large, specially-designed play areas for children, walks around the western perimeter of the lake, walls and fencing, a beach sand area, picnic lawns, and landscaping.

An additional comfort station will be built near the new picnic shelter completed last spring.

Supervisor Hahn said that another important part of the work will be the development of parking for approximately 100 additional cars, which will enlarge present parking facilities by approximately one-third. The new parking will be an extension of the existing parking on Redondo Beach Boulevard west.

The project will also include lighting of the park area.

The new bathhouse will be very attractive in design and also functional, Supervisor Hahn said. It was planned to harmonize with the existing community recreation building and the new picnic shelter.

The tots play area will provide a large place for the children to play. It will be equipped with the most modern and latest in playground equipment, including fibreglass broncos. The

children using the playground equipment will be protected by tanbark and sand.

The entire area south and west of the swimming pool and lake will be beautifully landscaped.

The swimming pool and lake area in Alondra park is located at 3535 W. Redondo Beach Blvd. between Dominguez Channel and Prairie ave. It serves the people of a large area including South Los Angeles, Inglewood, Lennox, Hawthorne, Lawndale, El Nido, Torrance, Redondo Beach, Moneta Gardens, El Camino, Gardena, Redondo Beach, Manhattan Beach, Hermosa Beach, and El Segundo.

## NTCIA Will Elect New Officers

The yearly election of new officers to head the activities of the North Torrance Civic Improvement Association during the coming year will be held tonight, Thursday, September 5th, at McMasters Hall, 174th and Yukon, 8 p.m. All members are urged to attend this important meeting and to vote for the person of their choice.

Each office will have at least four members contesting for the office and any paid-up member shall have the right to nominate from the floor. All NTCIA members are urged to attend. Refreshments will be served and a door prize will be awarded to the holder of the lucky ticket.

## Pvt. Lecroy Completes Training

Army Pvt. Doy L. Lecroy, whose wife, Monez, lives on Route 5, Terrell, Tex., completed eight weeks of basic combat training Aug. 23, under the Reserve Forces Act program at Fort Chaffee, Ark.

Lecroy, whose mother, Mrs. Mattie I. Hunt, lives at 915 E. High st., attended Pampa (Tex.) High school.

The 21-year-old soldier's father, Floyd A. Lecroy, lives at 1005 Sarito st.

Only in Servel Gas Refrigerators...

## ICE CUBES WITHOUT TRAYS

Two other Servel exclusives are SILENT GAS OPERATION, TEN-YEAR WARRANTY!

The Ice-Maker in the Servel Gas Refrigerator freezes ice cubes without trays and drops them in a basket. You can reach in any time and take a handful or dozens of ice cubes... as easily as taking candy from a dish! The Ice-Maker automatically replaces them.

Only in Servel does a tiny Gas flame take the place of a motor and make ice and cold. There are no moving parts, nothing to buzz, hum or rattle. Servel is permanently silent.

Only Servel is so trouble-free that it carries a ten-year warranty... twice the warranty offered by any other refrigerator.

SOUTHERN CALIFORNIA GAS COMPANY

See Servel demonstrated at your Servel dealer or Gas Company.

**GAS** gives you silent, motorless, trouble-free refrigeration!
